### MILLINERY!

Our present display is worthy of the most fastidious, whom we can and will please in beauty, quality and style. Difficulty of judging actual value makes it easy for those who depend on high prices to put on large profits and while money is often willingly paid for a beautiful hat, or bonnet it is no excuse for asking exorbitant prices. The ever-increasing popularity of this department, proves appreciation of our policy of selling millinery on the same moderate basis of profit as other goods. Call and be convinced.
