## Vehicle Comparison Teaches a Strong Lesson.

A "Floosy Looking" Vehicle built to sell at a tempting price is the poorest investment you can make. It is an expensive economy. Even the horse becomes ashamed of such a vehicle.

We do not sell that kind. Ours are the dependable sort with the guarantee of a strong concern behind them—and, too, we are here to make good if anything should go wrong.

We sell all sorts of vehicles.

Have pleased some mighty particular people who discovered we are satisfied with small profits.

Have a look in.

## Implements and Machinery

If you need anything in Farm Implements or Machinery of any kind, give us a call. We handle the BEST Lines and at small profits.

If you need a **CORN PLANTER** the **"SUPERIOR"** will do the work.

Either egde or flat drop by simple change of plates.

The best fertilizer attachment of any planter made. This is no exaggeration.
