The Peerless Fertilizer Company

—SUCCESSORS TO—

WILBUR W. HUBBARD

Is particularly well adapted this spring to supply you with what ever you may need in the way of Fertilizers, as we have a large stock of goods on hand bought right for the cash, and can do exceptionally well by you. Hence if you want to sow OATS, plant POTATOES or VEGETABLES, increase you crop of ASPARAGUS, plant TOMATOES, top dress your GRASS or WHEAT or fertilize your CORN.

The question is easily solved, because when you consider the way our Fertilizers have been made all these years and the sincerity of purpose back of them, you will not wonder why our trade has steadily grown for thirty-four consecutive years, but conclude (if you are not already a customer of ours) to buy them yourself.

We have many customers who have dealt with us for over 30 years. We have in our office hundreds of voluntary testimonials which we would be glad to publish did space permit, and when you think here is a firm who have striven to make Fertilizers well, and also save money on your purchases, we hope that you will give us a chance to bid on your supply this time.

Very truly yours,

The Peerless Fertilizer Co.,

CHESTERTOWN, MD.

P. S.—If you have not received one by mail, please call at our office and get an almanac for 1909 and a souvenir box of matches.

Work That Tells.

The Kind Chestertown Readers Appreciate.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in this locality. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. Can any Chestertown sufferer longer doubt the evidence?

William G. Whitney, of Harve De Grace, Md., says: "Over a year ago I told in a public statement how Doan's Kidney Pills had benefited me. To-day I willingly confirm all I then said, as my kidney trouble has never returned. I was badly afflicted with this complaint, the doctor saying that I had a touch of diabetes. The kidney secretions were unnatural, too frequent in passage and my back ached so severely that it was hard for me to get about. I lost weight, had a poor appetite and became generally run down in health. Hearing that Doan's Kidney Pills were very effective in such cases, I procured a box and had used them only a few days when I felt better. I was soon cured and was thus convinced of the merit of Doan's Kidney Pills, as every remedy I had previously tried had failed to help me."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
