WESTON, Ocean-to-Ocean Walker, Said recently: "When you feel down and out, feel there is no use living, just take your bad thoughts with you and walk them off. Before you have walked a mile things will look rosier. Just try it." Have you noticed the increase in walking of late in every community? Many attribute it to the comforts which Allan's Foot-Ease, the antiseptic powder to be shaken in the shoes, gives to the millions now using it. As Weston has said, "It has real merit."
