Reaping Benefit.

From the Experience of Chestertown People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Chestertown residents on the subject will interest and benefit thousands of readers. Read this statement. No better proof can be had.

James B. Hendrix, Cross St., Chestertown, Md., says: 'Doan's Kidney Pills cured me of a severe case of kidney complaint and it gives me pleasure to recommend them to others. I contracted a severe cold which settled on my kidneys and left these organs disordered. My back soon began to ache and bothered me constantly and the pain was so acute at times that I was forced to stop work and go home. I was strongly urged to try Doan's Kidney Pills and at last decided to do so, procuring a box at M. A. Toulson's drug store. They helped me from the first and I continued taking them until my back was stronger and the kidneys were restored to their normal condition.'

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
