VOL. XLIX—NO. 12. CHESTERTOWN, MARYLAND, SATURDAY, AUGUST 28, 1909. $1.00 PER ANNUM.

The Second National Bank

of Chestertown, Maryland,

SOLICITS THE BUSINESS AND ACCOUNTS OF FARMERS, BUSINESS MEN, IN FACT EVERYBODY.

Why Farmers Should Keep A Bank Account

Their bank deposit book affords them a complete record of their cash receipts, while the stubs of their check books are a perfect record of expenses and payments. Paying a laborer, a store account or any other bill with a bank check is much safer than with money; because you avoid the risk of handling the actual cash, and the endorsed check returned by the bank is the best kind of a receipt. Farmers, try the experiment for one year of keeping a Bank Account, and see if it does not pay you. A large number of the best farmers have accounts with us, now—we want EVERY FARMER TO HAVE ONE. We pay 3 per cent. on all Savings Accounts.

Very respectfully,

The Second National Bank,

Coronation Address, Walter Giles, Baltimore, Md.; Charge to Knights, Rev. W. E. Habbart.

Superintendent Appointed.

At a meeting of the Chestertown Water Board on Monday evening, Mr. J. D. Bacchus presented an application from Mr. Wm. B. Usilton for re-election as superintendent. Mr. Usilton stated in his application that his health had so greatly improved of late as to lead him to believe that he can give the necessary attention to the duties of the office. Mr. Bacchus placed Mr. Usilton's name is nomination and it was seconded by Mr. Satterfield. Mr. Usilton was accordingly elected superintendent for one year from May 1, 1909, to May 1, 1910, at a salary of $500 per year. Mr. Bowers nominated and voted for Mr. Wm. R. Aldridge. We have been informed since Monday evening that Mr. Chas. S. Smith will be made assistant to Mr. Usilton, thus completing a deal between Messrs. Bacchus and Satterfield, whereby Mr. Usilton's election for superintendent was made possible, and that a place should be created for Mr. Smith.
