WESTON, Ocean-to-Ocean Walker.

Said recently: "When you feel down and out, feel there is no use living, just take your bad thoughts with you and walk them off. Before you have walked a mile things will look rosyer. Just try it." Have you noticed the increase in walking of late in every community? Many attribute it to the comforts which Allan's Foot-Ease, the anti-septic powder to be shaken in the shoes, gives to the millions now using it. An Weston has said, "It has real merit."

Rock Hall Claims Smallest Woman in State.

Maryland, noted for her beautiful daughters, can also boast of having as many small daughters as any state. The smallest woman on the Eastern Shore, and, it is believed, in the entire State, is Miss Ruby Somers, of Rock Hall, who can boast of being only three feet four inches in height and tipping the beam at only 60 pounds. Miss Somers was born at Oriole, Somerset county, August 15, 1885, and therefore was 24 years old only a few days ago. With her parents she removed to Kent county "when quite small," to use her own words, and her diminutive size has made her a great favorite with everyone who knows her. Intellectually Miss Somers is well able to hold her own with any of her larger Kent county sisters, and she can converse at length upon most any subject of national or local import. She is the youngest of a family of four children. Capt. John Davis Somers, her father, is a man of towering height, being over six feet tall; her mother is a large woman and the three other children also are of more than ordinary size.
