LOCAL MATTERS.

Farm Sold.—The Watkins farm on East Neck I-land, near Bigles wharf, containing 150 acres has been sold by Mr. Alvin Downey to Mr. Henry Nehus, of Baltimore county for \$5,000. Mr. Downey purchased this farm two years ago from Mr. Watkins for \$4,000. Mr. Downey and family will remove to Cambridge.

Accident Near Millington.—Mr. Benj. Benton, of near Millington, came near being killed by being thrown from his horse Friday evening. Mr. Benton had been to a sale and was returning with a wagon-load of pigs and two horses were tied behind. One horse broke away and he took the remaining one and went in search of it. He was later found by his son, who had fortunately accompanied him, lying by the roadside in an unconscious state. Medical aid was summoned and it was at first thought he was very seriously injured, remaining unconscious for such a long period, but he is now slowly improving.

Enjoyed Their Vi-it to Europe.—Mr. R. Harrison Finley, of "Kennersey," Queen Annes county and Mr. Joe Westcott, of Chestertown, returned recently on the steamer Minnetonka to New York, having enjoyed a short, but delightful visit, to Mr. Finley's relatives in London, Lieutenant-Commander and Mrs. Simpson, of Baltimore. Commander Simpson represents this government as naval attaché in that city. The young gentlemen visited the Houses of Parliament, St. Paul's, Westminster Abbey, London Bridge and the Tower, where they viewed the royal robes, crowns and famous jewels, armor and numerous objects of historic interest; Windsor Castle, made a brief visit to Brighton and thoroughly enjoyed the voyage both going and returning.

Thos. J. Keating, Jas. T. Earle and Madison Brown, of Centreville, trustees sold this week the Bordley farm in Queen Annes to Mr. J. Frank Temple of Church Hill for \$10,675. 171 acres in the farm.

Mr. William C. Sutton has purchased Mrs. Lydia C. Shick's residence on Cannon street for \$2,000. Mr. Sutton proposes to improve the property at once.

Mr. George W. French will erect a comfortable new home on his recently-purchased lot on Mill street as soon as he can arrange with the contractors.

Mr. Oscar Allen, station agent at Millington, has been transferred to Maryland. Mr. R. J. Ross, of Harrington, Del., has taken Mr. Allen's place.

Mr. John Bell has begun the foundation for a new home for himself on his farm near town. It will be situated near the roadside and will add much to the value of his fine farm. Rumors say there'll be something doing out that way soon. Wait and see.

Howe's circus showed to large audiences both afternoon and evening on Saturday. The parade was the best seen here for some time and many of the acts of the performance were novel and pleasing.

It is reported that Mr. Wm. R. Pippin will remove to Chestertown and resume charge of the Pippin Hotel. Mr. Mumford will return to Dover, Del. Mr. Pippin notified us to that effect yesterday.

Mrs. Lydia Lusby has rented her farm in Broad Neck to Mr. J. Thomas Blackiston, and Mrs. Lusby has rented the residence in Chestertown now occupied by Mr. Charles W. Copper, where her son, Mr. Raymond Lusby and Mr. Adam Startt will conduct the butchering business next year.

Samuel Burgess, of Edesville, is superintending the tomato shipments for Roberts & Co., of Baltimore. Mr. Burgess has shipped 760 tons and he states that comparatively speaking the average yield with the farmers will be 5 tons per acre in that section. This is not bad in the season of drouth.

Two Gentlemen from Baltimore caught 30 fine rock, off Howell's Point on Tuesday with hook and line. One of the fish measured two feet. Fishing is fine off Betterton now, finer than for years.

A representative of the Hopkins Tailoring Company is at Vansant & Newsome's Store yesterday and today. The fall samples of clothing are rich and stylish, and you had better make your selection early. A sure fit guaranteed, or no sale.

The report published in the Sun on Monday relative to the condition of the crops in Queen Annes county, does not seem to be correct. We are advised by the most reliable authority that the corn crop will be up to the average for the past 10 years and that the sweet potato crop will be heavier and better than last year.

The statement of the Second National Bank appeared in last week's issue. The total resources of the bank at present, are nearly \$850,000, which is the best showing the bank has made at this time of the year. It has a surplus and undivided profit account of more than its capital stock—\$50,000 which makes its stock very valuable. The bank will pay handsome premiums when its charter expires.

OBITUARY.

MR. JOSEPH N. WHEATLEY.

Mr. Joseph N. Wheatley, one of Chestertown's best known and most highly esteemed business men died at his home on Front street on Wednesday morning of tuberculosis, aged 52 years. The deceased was the son of the late Sheriff Wheatley and was born on the farm near St. Paul's Church, now occupied by Mr. Charles Brown. He removed with his parents, to Chestertown when quite young and from early life became identified with the business interests of the community. For a number of years the deceased conducted a successful mercantile business, corner High and Kent streets, after which he was made postmaster of Chestertown for a term of four years under President Cleveland. During late years he had successfully conducted a large insurance business in the Eliason building. Mr. Wheatley was a Democrat in politics and was always active and enthusiastic in the support of its principles. At the same time he was always vitally interested in the moral and material welfare of the community, and used his influence for the promotion of everything that pertained to the welfare of his fellowmen. In his private life the deceased was a devoted husband and parent.

His pretty little home on Front street which he erected some years ago was his pride and castle. It was here that he devoted the best energies to make home life as attractive for those he loved as it could be made, and where he sought to display that demeanor as a husband and parent, which makes the home life ideal in its beauty, and delightful in its enjoyment. He was devoted to his family. His two boys were his idols. He was ever proud of their achievements and yet never overlooked their mistakes, and while he was indulgent in everything that pertained to their welfare, he exercised the authority of parent in that way and manner that means so much for the proper development of the man. In every respect Mr. Wheatley was a good citizen. While not identified actively with the church, he was an attendant at Christ Methodist Protestant Church, and contributed of his means to its support. He will be missed in the community. We can scarcely realize that friend Joe will mingle with us no more. 'Twas but a few days ago apparently that he was on the streets with his accustomed smile for every one, and yet today as we go to press his remains are being borne to their last resting place. We shall always remember him for the many happy hours of our boyhood days, when his store up town was our headquarters, where he was ever ready to hear our complaints and share our joys. He is survived by his widow, who before her marriage was Miss Fannie Russell, and two sons, Joseph and Russell Wheatley. He also leaves the following brothers and sisters—Messrs. J. Charles, of Annapolis, J. Frank and Wm. A. Wheatley, of Chestertown, and Mrs. Sherwood and Miss Kate Wheatley, of Chestertown. He also leaves a number of relatives in Baltimore and Rock Hall. Funeral services were held yesterday afternoon at four o'clock from the residence, conducted by Rev. Dr. F. T. Little. Interment was made in the Chester Cemetery. The pallbearers were Messrs. J. Charles Wheatley, William A. Wheatley, C. Frank Wheatley, Rev. William A. Sherwood, Alwyn M. Culp and Wm. F. Russell. Undertaker Charles L. Dodd had charge of the funeral arrangements.
