IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to Chester-town Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work. If women only knew the cause—that Backache pains come from sick kidneys.

I would save much needless woe. Doan's Kidney Pills cure sick kidneys.

Many residents of this vicinity endorse them.

Mrs. John V. Deiss, 102 S. Queen St., Dover, Del., says: "I am always glad to give a word in praise of Doan's Kidney Pills. I first publicly endorsed this remedy several years ago and to-day I confirm that statement and add that my cure has been permanent. I suffered for a long time from bearing-down pains in the small of my back and a weakness through my loins. When I stooped, sharp pains always darted through my kidneys and I had other symptoms of kidney complaint. Four boxes of Doan's Kidney Pills were all that was required to completely rid me of my trouble."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The Meetings at Worton.

The conference at Worton on Sunday last was declared by every one to have been a most interesting and profitable occasion. The day's work began with an old fashioned experience meeting, conducted by State Supt. Geo. H. Nock, who said that one of his sacred memories was accompanying his mother to a class meeting when a small boy, and it pained him in his travels to find so many churches discarding this blessed means of grace. The class meeting on Sunday morning last, as a prelude to the day's work was certainly touching and helpful. At 10.30 A. M. Mr. Nock preached from the text, "And they could not," St. Luke IX, 40. At 2.30 he talked to the school on the lesson after teaching the Bible Class, and afterwards talked at a Children's Rally on "Honor Thy Father and Mother," Eph. VI, 2. He held closely the attention of the smallest children, and it is believed that impressions were made that will never be effaced. At night talked to a good audience on "Soul Winning."

On Monday night he gave his lecture, "That Girl of Yours." The audience was surprisingly large considering the disagreeable weather. The visitor's social contact with people added a number to his already host of friends throughout the State. During the greater part of his stay he was the guest of Mr. Benjamin Rash. He spent Monday night with the pastor, Rev. Leonard White, and returned to Baltimore Tuesday morning by way of Tolchester.

LOOK OUT

for "Monotonous" Clothes this Fall and Winter!

WE cater to young men and those older men who prefer to dress in garments which by their originality, perfect fit and artistic draping bear no resemblance to ready-for-wearing clothing.

The general public should be pleased at the variety and unusual artistic merit of men's fashions for Fall and Winter, for it is a pleasure to select one's wardrobe from a large number of differently fashioned garments, all admirably combining beauty and utility, and the larger number of types and expressions there are, and the greater their artistic merit, the brighter the outlook is for a large volume of desirable business in the world of tailoring.

We allow a Chicago firm to produce our clothes simply because they have equipments and buying facilities which make it possible for them to produce for less than we could if we built all our clothes ourselves. But we take our own measurements and plan the style ourselves. We tell how your coat, vest and trousers shall be cut, we dictate the manner in which the making is to be done. We also help you choose the cloth which you select.

Yours for fine Clothing,
