OBJECTS AND PRINCIPLES

OF THE

Jr. O. U. A. M.

FIRST—To maintain and promote the interests of Americans and shield them from the depressing effects of unrestricted immigration; to assist them in obtaining employment and to encourage them in business.

SECOND—To provide for the creation of a fund or funds for the payment of benefits in case of sickness, disability or death of its members, to members, their legal dependents or representatives, and to issue certificates of membership for the same.

THIRD—To uphold the American Public School System, to prevent interference therewith, and to encourage the reading of the Holy Bible in the schools thereof.

FOURTH—To promote and maintain a National Orphans' Home.

We recognize the landing upon our shores of the ignorant, the vicious and the lawless of the Old World as a constant menace to our institutions, and believe that it should be viewed with alarm by the loyal and patriotic citizens of the country.

We would place a flag upon and a Bible within every Public School-house of our land, that all might learn these to be a beacon light in every storm which may threaten our destruction.

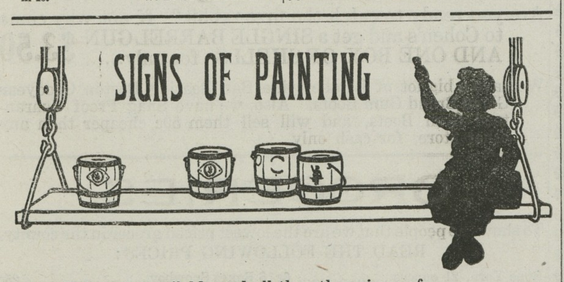
SIGNS OF PAINTING



Painter's scaffolds and all the other signs of painting-time are sometimes considered a nuisance, but afterwards—the spick-and-spanness, the feeling of new life and cleanliness—it's worth while after all.

Let us furnish the paint materials. You can rely on what we say. When we say our white lead is pure, we mean it. It's

WESTON, Ocean-to-Ocean Walker,

Said recently: "When you feel down and out, feel there is no use living, just take your bad thoughts with you and walk them off. Before you have walked a mile things will look rosier. Just try it." Have you noticed the increase in walking of late in every community? Many attribute it to the comforts which Allan's Foot-Ease, the antiseptic powder to be shaken in the shoes, gives to the millions now using it. As Weston has said, "It has real merit."
