Henry Tillison,
vs.
Mamie Tillison.

In the Circuit Court for Kent County, in Equity.

No. 1713, Bill for Divorce.

The object of this suit is to procure a decree "A Vinculo Matrimonii" in favor of the complainant Henry Tillison from the defendant Mamie Tillison.

The bill states that the said complainant, Henry Tillison, was on or about October 4th, 1894, married to his wife, Mamie Tillison, with whom he resided at Butlertown, in Kent county, Maryland, for one year, then they removed to Camden, New Jersey, where they resided until about October, 1900, when she deserted him. That they were so separated till December, 1903, when they again lived together in Wilmington, in the State of Delaware, when she again deserted him, and that after said last mentioned desertion he returned to Kent county, State of Maryland, about the middle of the summer of that year, 1904, and has continued to live in said Kent county ever since, but that his said wife is a non-resident of the State of Maryland and that he is informed and verily believes that she is a resident of the city of Wilmington and State or Delaware.

That though the conduct of him towards his said wife, Mamie Tillison, has always been kind, affectionate and above reproach, the said Mamie Tillison has without any just reason or cause, abandoned and deserted him, and has declared her intention to live with him no longer, and that such last mentioned desertion and abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation.

That there have been no children born to the parties to this case as a result of said marriage.

It is thereupon this 24th day of September, 1909, ordered that the complainant, by causing a copy of this order to be inserted in some weekly newspaper printed and published in Kent county, Maryland, one in each of four successive weeks before the 25th day of October, 1909, give notice to the said absent defendant of the object and substance of this bill; warning her to appear in this court in person or by solicitor on or before the 10th day of November next, to answer the premises and show cause, if any she hath, why a decree should not pass as prayed.

In Memoriam.

Bertha May Cox departed this life one year ago, Sept. 21, 1908, aged 16 years, 1 month, 19 days.

Thy gentle voice now is hushed,
Thy warm true heart is still,
And on thy young innocent brow
Is resting death's cold chill.
Darling Bertha, she has left us,
Left us, yes, for evermore,
But we hope to meet our loved one,
On that bright and happy shore.
Gone but not forgotten.

One long sad year has passed,
Dearest daughter thou hast left us,
And our loss we deeply feel,
But 'tis God that has bereft us;
He can all our sorrows heal.
Yet again we hope to meet thee,
When the day of life is fled,
When in Heaven in joy to greet thee,
Where no farewell tears are shed.
MOTHER.

A precious one from us is gone,
A voice we loved is still,
A place is vacant in our home
Which never can be filled.
God in his wisdom has recalled,
The boon his love had given,
And though the body slumbers here,
Her soul is safe in Heaven.
FATHER.

Darling sister she has left us,
Left us, yes, for ever more,
But we hope to meet our loved one
On that bright and happy shore.
BROTHER JOHNNY.

There was an angel band in Heaven,
That was not quite complete,
So God took our darling sister
To fill the vacant seat.
BROTHER HESTON.

We miss thee from our home dear sister,
We miss thee from thy place;
A shadow over our life is cast,
We miss the sunshine of thy face,
We miss thy kind and willing hand,
Thy fond and earnest care;
Our home is dark without thee,
We miss thee everywhere.
SISTERS ELIZABETH AND DELLA.

Not now, but in the coming years,
It may be in the better land,
We'll read the meaning of our tears,
And there sometime we'll understand
Why dear sister was taken.

Dedication of Fire Company's Building.

The new municipal building erected under the auspices and through the efforts of the Chestertown Volunteer Fire Company will be formally dedicated next Monday, October 11th.

The program of exercises will be especially interesting and will continue throughout the day and evening. The schedule as arranged, is as follows:

MORNING.

The bell will be rung for the first time at 10 o'clock A. M. and will be timed sharp and quick as in case of fire alarm. This notice is given that the public may not be misled.

At 10.30 the bell will ring again and the exercises begin promptly thereafter, with prayer by the Rev. Dr. F. T. Little; statement of receipts and disbursements by Mr. Thomas D. France, president of the fire company; music by orchestra. Then will follow the feature of the morning session—an address by Hon. James A. Pearce, Chief Judge of this Judicial Circuit. Benediction by Rev. Father Heavy.

AFTERNOON.

In the afternoon the exercises attending the presentation and raising of the large American flag will take place. The flag is donated by the Chestertown Council, No. 117, Jr. O. U. A. M., and the exercises, in the main, will be in charge of a committee of that order, of which Prof. J. L. Smyth is the chairman. The bell will ring at 2.30 and again at 3.00 P. M., the exercises beginning promptly at that hour. The order will be, music by orchestra; prayer by Rev. Dr. Henry B. Martin; introductory address by Rev. Dr. F. T. Little; presentation of flag by Rev. Dr. Louis E. Barrett, representating the Jr. O. U. A. M.; acceptance and response by Mr. Thomas D. France, president of the Fire Company. At the conclusion of Mr. France's address he will deliver the flag to Mr. F. H. Russell, who will prepare it for the raising, the benediction will be offered and the entire audience will gather outside the building and sing the "Star Spangled Banner," while the stars and stripes are unfurled to the breeze.

At 7.30 P. M., a public reception will be held at which a splendid collation and refreshments will be served. The public is cordially invited to all these exercises.

Proclamation.

WHEREAS, at the January Session of the General Assembly of Maryland, held in the year of our Lord, one thousand nine hundred and eight, an Act was passed proposing an amendment to Section 1 of Article 1 of the Constitution of the State which said Act is in the following words, to-wit:

CHAPTER 26.

AN ACT to amend Section one of Article one, title, "Elective Franchise", of the Constitution of this State, and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

SECTION 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following section be and the same is hereby proposed as an amendment to Section one of Article one, title, "Elective Franchise", of the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, it shall supersede and stand in the place and stead of Section one of said Article one.

SEC. 1. All elections shall be by ballot, and every male citizen of the United States of the age of twenty-one years or upwards, who has been a resident of the State for two years and of the Legislative District of Baltimore City or of the county in which he may offer to vote, for one year next preceding the election, and who, moreover, is duly registered as a qualified voter as provided in this Article, shall be entitled to vote, in the ward or electian district in which he resides, at all elections hereafter to be held in this State, and in case any county or city shall be so divided as to form portions of different electoral districts for the election of Representatives in Congress, Senators, Delegates or other officers, then to entitle a person to vote for such officer, he must have been a resident of that part of the county or city which shall form a part of the electoral district in which he offers to vote, for one year next preceding the election; but a person who shall have acquired a residence in such county or city, entitling him to vote at any such election, shall be entitled to vote in the election district from which he removed, until he shall have acquired a residence in the part of the county or city to which he has removed.

Every male citizen of the United States having the above prescribed qualifications of age and residence shall be entitled to be registered so as to become a qualified voter if he be, first: a person who, on the first day of January in the year eighteen hundred and sixty-nine, or prior thereto, was entitled to vote under the laws of this State, or of any other State of the United States, wherein he then resided; or second: a male descendant of such last mentioned person; or third: a foreign born citizen of the United States naturalized between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article; or fourth: a male descendent of such last mentioned person; or fifth: a person who, in the presence of the officers of registration, shall, in his own handwriting, with pen and ink, without any aid, suggestion or memorandum whatsoever, and without any question or direction addressed to him by any of the officers of registration, make application to register correctly, stating in such application his name, age, date and place of birth, residence and occupation at the time and for the two years next preceding, the name or names of his employer or employers, if any, at the time and for the two years next preceding, and whether he has previously voted, and if so, the State, county or city and district or precinct in which he voted last and also the name in full of the President of the United States, of one of the Justices of the Supreme Court of the United States, of the Governor of Maryland, of one of the Judges of the Court of Appeals of Maryland and of the Mayor of Baltimore City, if the applicant resides in Baltimore City, or of one of the County Commissioners of the county in which the applicant resides; and any person who is unable to comply with the aforegoing requirements as to making application for registration in his own handwriting, solely because he is physically disabled from so doing; or sixth: a person, or the husband of a person, who at the time of his application for registration, is a *bona fide* owner of real or personal property in an amount of not less than five hundred dollars, is assessed therefor on the taxbooks of the City of Baltimore or of one of the counties of this State, has been such owner and so assessed for two years next preceding his application for registration; shall have paid and shall produce receipts for the taxes on said property for said two years and shall at the time of his application make affidavit before the officers of registration that he is, or that he is the husband of the person who is the *bona fide* owner of the property so assessed to him or to her, as the ca semay be, and that he or she has been such owner for two years next preceding his application.

No person not qualified under some one of the above clauses shall be entitled to be registered as a qualified voter or to be entitled to vote. Every written application to be registered, presented to the officers of registration by any person applying to be registered under the above fifth clause, shall be carefully preserved by said officers of registration and shall be produced in any Court, if required as hereinafter provided.

The affidavit of any applicant for registration, duly made to the officers of registration or in Court, that he, the applicant, is a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, as aforesaid, or that he has become a naturalized citizen of the United States between the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, as aforesaid, or his affidavit upon information and belief that he is a descendent of a person who was entitled to vote on or before the first day of January in the year eighteen hundred and sixty-nine, or that he is a descendent of a person who has become a naturalized citizen of the United States between the the first day of January in the year eighteen hundred and sixty-nine and the date of the adoption of this section of this Article, shall be *prima facie* evidence of any of said facts so sworn to.

A wilfully false statement upon the part of any applicant for registration in relation to any of the matters aforesaid shall be perjury, and punishable as perjury is punished by the laws of this State.

Any person who feels aggrieved by the action of any board of officers of registration in refusing to register him as a qualified voter, or in registering any disqualified person, may at any time, either before or after the last session of the board of officers of registration, but not later than the Tuesday next preceding the election, file a petition, verified by affidavit, in the Circuit Court for the county in which the cause of complaint arises, or, if the cause of complaint arises in Baltimore City, in any court of common law jurisdiction in said city, setting forth the grounds of his application and asking to have the action of the board of officers of registration corrected. The court shall forthwith set the petition for hearing and direct summons to be issued repuiring the board of officers of registration complained against in said petition to attend at the hearing in person or by counsel, and where the object of the petition is to strike off the name of any person, summons shall also be issued for such person, which shall be served by the sheriff within the time therein designated; and said several courts shall have full jurisdiction and power to review the action of any board of officers of registration and to grant or withhold, as it may deem lawful and proper, the relief prayed for in the premises.

In determining whether any person who applied to be registered under the above fifth clause of this section was or was not entitled to be registered under said fifth clause, the court shall require the board of officers of registration complained against to produce the written application prepared and submitted by such person at the time he presented himself for registration to said board of officers of registration, and upon said written application the court shall determine whether or not said person, when he presented himself for registration, complied with the requirements of said fifth clause; and if the court shall determine that said written application, so prepared and submitted by said person, complied with the requirements of said fifth clause and that said person was not qualified under any other provision of this Article of the Constitution to be registered upon the books of registry in question, then the Court shall order said person to be registered as a qualified voter, but if the court shall determine that said written application of said person failed to comply with the requirements of said fifth clause, or that said person was in any other respect under this Article of the Constitution disqualified to be registered upon the books of registry in question, then the court shall order that said person shall not be registered upon said books of registry.

The court may enforce any order by attachment for contempt in said cases; neither party shall have any right of removal; exception may be taken to any ruling of the court at the hearing of said cases and an appeal shall be allowed to the Court of Appeals as in other cases; all such appeals shall be taken within five days from the date of the decision complained of, and shall be heard and decided by the Court of Appeals upon the original papers, or otherwise, as the Court of Appeals may by rule prescribe, as soon as may be practicable.

The General Assembly shall have power to provide more fully by legistation not inconsistent with this section of this Article, for the hearing and determination of all such cases.

SEC. 2. And be it further enacted by the authority aforesaid, That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be at the next General Election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at said general election the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article XIV of the Constitution.

Approved February 25, 1908.

NOW, THEREFORE, I, AUSTIN L. CROTHERS, GOVERNOR OF THE STATE OF MARYLAND, in pursuance of the provisions of Section 1, of Article 14 of the Constitution of the State of Maryland, do hereby order and direct that a copy of said Act proposing an amendment to Section 1 of Article 1 of the Constitution of said State, be published in at least two newspapers in each of the counties of the State and in three newspapers in the City of Baltimore, one of which shall be published in the German language, once a week for at least three months preceding the next General Election, which election will be held on November 2nd, 1909, at which election the said proposed amendmedt shall be submitted, in the form and manner prescribed by the General Assembly, to the legal and qualified voters of the State, for their adoption or rejection.
