**Come to the Store**  
When a man comes to the store to buy his paint, he needs impartial, intelligent and friendly advice. A wrong selection of material is often a serious mistake, and a mistake in paint lasts a good while. We make it our business to know as much as possible about the goods we sell, and our customers are welcome to the benefit of this information. Perhaps we can give you some useful hints about color and decoration, as well as some general knowledge on the subject of paint. Our staple stock includes  
**LEWIS PURE WHITE LEAD**  
guaranteed by the well-known  
**DUTCH BOY PAINTER TRADE MARK**  
It is worth your while to talk it over with us before you buy.

If the Egg Sac of a Hen is not supplied with pure, rich blood, the Embryonic eggs it contains cannot develop properly. Fairfield's Blood Tonic and Egg Producer purifies the blood and furnishes it with the materials from which eggs are made.

Cows coming off pasture will fall off in milk production unless they are fed Fairfield's Milk Producer regularly. It supplies them with the elements that have been getting from the juicy grasses all Summer, and puts them in trim for Fall and Winter milk production.

You have been experimenting with the old-fashioned "Cure-all" Condensed powder long enough. It's time you were using the Modern, sensible and Scientific kind, the Fairfield Blood Tonics. A separate, and Different, Conditioner for each kind of animal. (Ask for Fairfield's Free Book).

Your horses have worked hard this past Summer. Their blood is filled with worn-out Cells and waste material. Build them up, purify their blood and purify their blood by the regular use of Fairfield's Blood Tonic and Regulator for Horses Only.

The Egg Factory on your farm will keep full time if you feed your hens Fairfield's Egg Producer regularly. It provides them with egg-making materials and makes egg production regular and exceedingly profitable. Costs but a trifle. (Ask for Fairfield's Free Book).

Hog Cholera, Catarrh and all diseases of Swine are prevented by the regular use of Fairfield's Blood Tonic for Hogs Only. It fills the Arteries with pure blood, increases the functional activity of every organ and keeps the bowels in perfect order.

Forced feeding for egg production either causes indigestion or produces too much fat. In either case egg production is hindered. Fairfield's Egg Producer increases egg production in Nature's way by providing the hen with the elements of which eggs are composed.

Dairymen in this section attribute their increased profits this year to their regular use of Fairfield's Blood Tonic and Milk Producer for Cattle Only. They have proven that it saves feed, increases and enriches the milk supply and keeps cattle healthy.
