APPROVED OF ACQUITTAL

Residents of Easton Glad Dr. Merritt Was Freed by Jury.

Dr. Jas. B. Merritt, who was acquitted on the charge of performing a criminal operation on Miss Emerald Sothoron, by a jury in Easton late Saturday afternoon, spent Sunday with members of his family at his home on Dover street, Easton. Dr. Merritt was kept busy during the day receiving congratulations of hundreds of Eastonians, who called to see the physician. The doctor had several professional calls to attend to during the day. In the afternoon, accompanied by members of his family, the freed physician went for a drive in the country.

The verdict of the jury which declared Dr. Merritt not guilty, was approved throughout the county. Dr. Merritt is now enjoying liberty on a $5,000 bond for his appearance before the Circuit Court of Caroline County on the charge of performing a criminal operation on a Mrs. Dean. It is believed in Easton that the Caroline county case will not be prosecuted by the State, owing to lack of evidence and of circumstances surrounding the alleged operation.

Resolutions of Respect.

At the meeting of the Teachers' Association of Kent county, held November, twenty-fourth, the following resolutions were adopted :

WHEREAS, Since our last meeting, God has called from her school-room to Himself, one of our number—Miss Arsula Moffett. Be it

Resolved, That in the death of Miss Moffett, the Teachers' Association of Kent County has lost one of its most efficient members, one who was always ready to respond to its demands, whose aim was, ever the advancement along all lines of those entrusted to her care. Be it

Resolved, That we extend to her bereaved family the sympathy of this association. May He who can not err, be very near to them, making them to feel that underneath are the everlasting arms. Be it further

Resolved, that these resolutions be entered in the minutes of this association, be sent to the county papers, and to the family of our deceased member.

Respectfully submitted,
JEANNETTE GOODING,
Cor. Sec.

OBJECTS AND PRINCIPLES OF THE

Jr. O. U. A. M.

FIRST—To maintain and promote the interests of Americans and shield them from the depressing effects of unrestricted immigration; to assist them in obtaining employment and to encourage them in business.

SECOND—To provide for the creation of a fund or funds for the payment of benefits in case of sickness, disability or death of its members, to members, their legal dependents or representatives, and to issue certificates of membership for the same.

THIRD—To uphold the American Public School System, to prevent interference therewith, and to encourage the reading of the Holy Bible in the schools thereof.

FOURTH—To promote and maintain a National Orphans' Home.

We recognize the landing upon our shores of the ignorant, the vicious and the lawless of the Old World as a constant menace to our institutions, and believe that it should be viewed with alarm by the loyal and patriotic citizens of the country.

We would place a flag upon and a Bible within every Public School-house of our land, that all might learn these to be a beacon light in every storm which may threaten our destruction.
