### LOCAL MATTERS.

**Star-Democrat Reported Sold.**—It is reported that a stock company, composed of some of the most prominent lawyers and business men of Easton have purchased of Messrs. S. E. Whitman & son, the Easton Star Democrat plant for \$10,000 and that articles of incorporation are being prepared for assuming ownership of the paper. The Star-Democrat is one of the best equipped newspaper plants on the Eastern Shore. W. Mason Shehan, Esq., one of the leading lawyers of Easton is reported to be one of the principal stockholders.

**Election of Directors.**—The Hubbard Fertilizer Co. held their annual meeting for the election of directors at their Baltimore offices in the Keyser building on Tuesday the 15th. The following gentlemen were elected directors for the ensuing year: Wm. L. Hubbard, Wilbur W. Hubbard, Judge H. C. Conrad, Morris A. Soper, George N. Nimsen, W. P. Summers and C. W. Holland, of Virginia. Wm. L. Hubbard was again elected president of the company, Wilbur W. Hubbard, vice-president; Wm. L. Hubbard, Jr., secretary, and W. P. Summers, treasurer. The report to the stockholders was very gratifying in as much as the year just closed has been the banner year of the company, their business having largely increased. They are erecting a new plant in Maine, which they have just started under the most favorable auspices. They expect also to make large extensions this year to their works at Canton.

—Mr. Joseph R. Usilton is the proud possessor of 67 fine lambs from 46 ewes. Not one has died, and all are in splendid condition. This is a fine record.

—The Patriotic Order Sons of America will give a fine spread and entertainment in Fraternal Hall, next Tuesday night in honor of Washington's birthday.

—The St. James Sewing Circle will give the second of their series of fine suppers at the home of Mr. Robert G. Nicholson, near town, next Thursday evening.

—The engine of the steamer Gratitude got hung on the center while approaching Rock Hall wharf last Saturday. The steamer ran into the gasoline launch belonging to Capt. George Urie, damaging it considerably.

—Mr. Charles Murgan, who has been conducting a laundry near Washington College for the past two years, has recently enlarged his plant and is now prepared to do all sorts of laundry. He has employed Mr. William Dilorho.

—The 30-pound prize winning watermelon that won first prize at the Tolchester fair, was cut on Ground Hog day by the owner, Mr. Thomas Clothier, near Rock Hall. It was in fine condition and excellent in flavor.

—Capt. Curtis E. Crane, of Chestertown, has purchased the Crane home farm in Queen Annes, near Church Hill, from the Messrs. Trenchard. The farm contains 200 acres and is the birthplace of Capt. Crane.

—The steamer Lord Baltimore, of the Ericsson Line, grounded off Poole's Island in a fog one night last week, while towing her disabled sister-ship, the Ericsson, to port. She was floated without any damage.

—Mr. John Latham has a fine cow which gave birth to twin calves on Wednesday night. The youngsters are in fine condition, and are doing well. Delegate Harry C. Willis also has a cow which gave birth to twins, but unfortunately one of them has died.

—Judge James A. Pearce, as agent for his sister, Mrs. M. C. Ringgold, has sold the farm in Queen Annes county, known as the lower "Wye" or "Hobbs Farm" to Capt. Charles W. Butler. The farm contains 241 acres and the price paid was \$10,500.

She has grown to womanhood, but her mind is a wreck and she has tuberculosis. A lady nurse from the institution in which she has been confined, accompanied the woman, and she had a time in reaching her destination at Lynch. Both were arrested in Philadelphia, and as soon as they reached Kent, Bertha fled. It is to be hoped that she may never return.

### Legislative Doings.

Delegate James S. Harris introduced a bill on Monday, providing for the adoption of the Caroline County Road Law to Kent county. This bill gives the County Commissioners the power to appoint the Road Engineer, and is similar in all respects to the Caroline law such as 400 and more taxpayers have to vote for it in Annapolis to our delegates asking them to pass. It should be noted that the bill Senator Slay has been asked to introduce by a number of representative citizens provides for no appeal from the decision of the Governor as regards the removal of the engineer, while the Caroline bill gives the tax-payers the right to make complaint to the County Commissioners and gives them the right of appeal from the decision of the Commissioners to the Circuit Court. Are the framers of the Slay bill afraid to trust the County Commissioners and the Circuit Court, and who is going to pay for witnesses to go to Annapolis every time a complaint is lodged with the Governor for the removal of the engineer. Mr. Harris has done the proper thing to introduce the Caroline law. There is no demand here whatever for the appointment of the engineer by the Governor.

Delegate Harry Willis was a visitor to the TRANSCRIPT office last week and in the course of his conversation discussed his position on the State-wide Primary Election bill. Mr. Willis stated that he is in favor of such a law for all offices except the State offices, and so far as they are concerned he favors a law for such nominations similar to the Senatorial Primary Law which would pledge the delegates in the Convention to vote for the men who secured the majority of votes in the county, and he also says that he favors placing the names of candidates for State offices on the ticket with candidates for all other offices. Mr. Willis is endeavoring to learn the sentiment of his county on a State-wide Primary Law for all offices and does not want to do anything, he states, to conflict with the sentiment in his county.

### KENT APPOINTMENTS.

Governor Crothers on Monday night sent a long list of appointments to the Senate, among them being the following from Kent:

Supervisors of Election for Kent—Messrs. Jesse H. Usilton, Harry C. Cacy, Democrats, reappointed, and Mr. A. Parks Rasin, Republican, in place of Mr. Charles S. Smith, who holds the office of Supt. of the Chestertown Water Department.

A sumptuous supper consisting of poultry and the other delicacies of the season was served in fine style. Among those present were: From Centerville—Mr. and Mrs. John W. Comegys, Mr. and Mrs. Samuel C. Comegys. From Millington—Mr. and Mrs. Wm. Loper, Mrs. Lillian Loper, Mr. and Mrs. John T. Slaughter, Mr. and Mrs. Geo. C. Dixon, Mr. Wm. T. Jones, Mrs. Annie Price, Mr. Luther Price, Mr. Robt. Dailey, Mr. John Culley, Jr., Miss Bertha Culley, Mr. Emory Everett; Mr. Robt. Cochran, of Middletown.
