These Want Caroline Law. To the Honorable, the Senator and Delegates in the Legislature from Kent County: GENTLEMEN—We, the undersigned citizens of Kent county, respectfully urge that you will use all your endeavors to pass for Kent county a Road Law similar to the one now used in Caroline county, and which has been introduced in other counties with such success. The cost of the public roads in Kent county has been and is a heavy burden upon the tax-payers. Unless some such method regulating the cost of our roads is adopted, it will be heavier each year, and with no permanent benefit to the public. We respectfully urge that you use all your endeavors to secure the passage of such a law. Yours respectfully,
