SATURDAY, MARCH 12, 1910.

Sells Farm.—J. Waters Russell has sold for the Kent County Land Company, the Bevans Morris farm in Morgnec opposite the farm of Supt. Milton Melvin, and containing 262 acres, to C. B. Fisher, of New Jersey. Price private.

New Bank Rumored.—It has been rumored on the streets this week that a new State Bank will shortly be started in Chestertown. It is said that Senator Slay will introduced a bill providing for a charter for the bank at this session. Some of the younger element of the business community are said to be interested in the movement.

Will Celebrate 13th Anniversary.—Chestertown Council, No. 177, Junior Order United American Mechanics will celebrate the 13th anniversary of the organization of the order at their room in Fraternal Hall next Wednesday evening. A suitable program is being arranged, and all the members and friends of the order are cordially invited to be present.

Big Real Estate Improvement.—It is understood that a party of gentlemen are interested in the erection of a public building in Chestertown. One of our leading citizens has been offered $16,000 for a part of his High street lot but has refused the offer. All hope of the project has not yet been abandoned. For the improvement of the town it is hoped that the parties may get together.

Fine Lecture.—The lecture given in William Smith Hall last Wednesday evening on Shakespeare by Dr. Southwick, was a rare educational treat, and was enjoyed by a good audience. This has been one of the finest courses of lectures ever given in Chestertown, and President Cain of the college is to be cougratulated upon his effort to give the student body and general public instructive and edifying intertainment by some of the most noted scholars of the country. The last lecture in the course will be given next Wednesday evening and will be one of the finest in the whole course. Let the speaker have a full house.

Do You Want Seed?—Congressman J. Harry Covington has had made a very complete distribution of the experimental seed furnished by the United States Department of Agriculture. He has been compelled, however, to depend for this distribution upon lists compiled for him by persons in the several counties of the First Congressional District. In order that any person in Kent county who may desire these seed for experiment purposes, and who has received none, can obtain them Congressman Covington has sent to the office of the clerk of the court at Chestertown a supply to be distributed to these persons upon being called for.

Miss Nugent Assaulted.—Miss Louise Nugent, formerly of this town but now employed in the Leader, one of Baltimore's leading dress goods stores, was accosted and robbed by a negro, named James Smith on Saturday night, as she was returning from work to her home, 426 N. Fremont avenue. Miss Nugent testified at a hearing before Justice Loden on Monday that she was accosted by the negro at Mulberry and Ogden streets. She says the negro put his hand over her mouth and attempted to gag her. He then snatched her pocketbook, containing $2.50, and ran. Miss Nuguent screamed, which attracted policemen, and the negro was arrested an hour later. Miss Nugent identified the man by a scar on his face. He is held for court. We are glad to state that Miss Nugent was not injured. In a letter to relatives here, she gave an account of the affair, and says that she sustained no injury except a nervous shock. She is 16 years old, and is a relative of Mrs. Charles H. Davis with whom she made her home before going to Baltimore.

New Park at Betterton.—Betterton is to have a fine new park to be ready for use by the opening of the summer season. Col. and Mrs. A. H. Suplee, of the pretty bayside resort have leased their shore front of 10 acres to Baltimore gentlemen, headed by F. P. Angelier & son, who are forming a stock company for the purpose of developing the beautiful situation and providing high-class amusements. The par value of the stock is $1 per share, non-assessable, payable to J. C. Johnston & Co., Union Trust Building, Baltimore. The lease has been recorded and work upon the park has already commenced. The people of Betterton have subscribed for 1750 shares of stock, and are doing everything in their power to make a success of the park. The park will be known as Dreamland Park, and it will be fitted up with all kinds of high-grade amusements, among which are several novelties. Betterton is an ideal spot for the park, and it will no doubt be a great success and a money winner for Betterton.

OBITUARY.

MR. FRANK P. COCHRAN.

Mr. Frank P. Cochran, one of the most widely known and most prominent agriculturalists of Galena, died on Saturday afternoon following, an operation in the Church Home and Infirmary, Baltimore. Mr. Cochran went to Baltimore about a week ago and went direct to the Church Home where an operation was performed for a serious liver trouble. His condition was such however, that he did not survive the ordeal of the operation. The deceased was one of the most progressive farmers in this county. He was perhaps our most expert asparagus grower, and was regarded as an authority on the subject of growing the grass. He had orders to supply several of the largest hotels in New York and other cities, and took especial delight in cultivating the grass to perfection. Mr. Cochran was a man of genial disposition and kind heart, and had done a power of good in the community in which he lived. He was an ardent Democrat, and though he never held political office, he was ever interested in the success of his friends and labored as zealously for their success as he would have done for his own. He was a member of one of the oldest and most prominent of Delaware's families. Besides a widow, Mrs. Mollie K. Cochran, he is survived by two sons, Messrs. Eugene and Keith Cochran. He also leaves a brother, Mr. John P. Cochran, of near Galena, and a number of relatives in Delaware. The remains were taken to Middletown, Del., and interred in Forrest cemetery on Wednesday. Numerous friends from Kent attended the funeral.

CAPT. PETER BRINSFIELD.

Capt. Peter Brinsfield, a prominent farmer of this county, died suddenly of angina pectoris at his home near Crumpton last Saturday afternoon, March 5th, at about 2.30 o'clock. He was 63 years of age. A severe attack came on about 2 o'clock Saturday morning; his physician was summoned but all efforts to save his life were unavailing. He was born in Talbot county but had made his home in Kent for about fifty years. He was a member of the Patriotic Order Sons of America and the Improved Order of Heptasophs. The deceased was a waterman for many years and conducted a steam packet between Sprigg's Landing and Baltimore. Capt. Brinsfield was a man of large heart, and was a friend to those in need. He was an attendant at Chesterville M. E. Church (South) and was always interested in its success. His sudden death was a great shock to his many friends in the county. He married Miss Matilda Medders by whom he is survived. He also leaves six children: Geo. H., Evelyn, Julia, Margaret, Edna and Minnie. Funeral services were conducted by Rev. J. A. Rood, at his late residence, Tuesday morning at 10 o'clock. Interment was made in Chesterville cemetery.

MR. GEORGE HENRY WATTS.

Mr. George Henry Watts, a prominent and highly esteemed agriculturalist living near town, died on Wednesday morning at two o'clock of pneumonia in the 64th year of his age. The deceased was almost a life-long resident of Worton section of this county, and had been engaged in farming many years. He was a most honorable and upright citizen, and was held in the highest esteem by all who knew him. He leaves a widow and two children, Mr. George Watts, living on the home farm in Worton and Mrs. Frank Tolson, of Baltimore. Funeral services were held yesterday afternoon from the residence, conducted by Rev. A. H. Covey. Interment was made in Union cemetery, Worton. The pall-bearers were Messrs. Charles H. Hurlock, Harrison I. Parsons, Thomas W. Tolson, Sr., James S. Bradley, Thomas Bradley and George B. Westcott. Undertaker Chas. L. Dodd had charge of the funeral arrangements.

MR. DALY DEPUTY.

Mr. Daly Deputy, son of Mr. and Mrs. John L. Deputy, of near Melitota, died at the University Hospital, Baltimore, where he had been for special treatment, on Wednesday, of Bright's disease, aged 21 years. Mr. Deputy had been a sufferer from the disease for some time, and everything that human skill could do had been done for him. Funeral services will be held to-day at 12 o'clock from the residence of his parents, near Melitota, conducted by Rev. Mr. Litsinger, of St. Paul's. Interment in St. Paul's cemetery at two o'clock. The pall-bearers will be Messrs. Chas. Jessup, Lambert Plummer, Scott Beck, Lawrence Strong, Edward A. Walker and Robert B. Vickers. Undertaker Charles L. Dodd will have charge of the funeral arrangements.

EX-SHERIFF HADAWAY DEAD.

We learn with extreme regret at the hour of going to press of the death of former sheriff, Daniel W. Hadaway, at the hospital in Baltimore, where he died at 12 o'clock yesterday while under an operation for appendicitis. Sheriff Hadaway was taken to the hospital this week, and scarcely any one knew of his illness. His sudden death is a great shock to his family and host of friends. He leaves a widow and a number of children. Since his retirement from the sheriff's office he and his sons had conducted a meat market and provision store in Chestertown. No arrangements had been made for the funeral at the hour of going to press. Sheriff Hadaway was in every respect a fine man, and his sudden death removes a valuable citizen.

MR. GEORGE T. VICKERS.

Mr. George T. Vickers, a prominent resident of Broad Neck, died at the home of his sister, Mrs. Glenn, on Tuesday, after a long illness, aged 64 years. The deceased underwent an operation last fall, and his health had been failing ever since. Funeral services were held on Thursday at 11 o'clock, conducted by Rev. Mr. Litsinger. Interment in St. Paul's cemetery. Undertaker J. E. Ferguson had charge of the funeral arrangements.

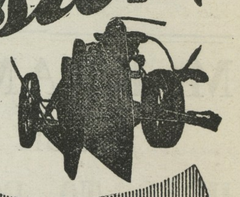
Johnston FARM TOOLS

NOT IN THE TRUST



When you put your money into a **Johnston** farm implement you can rest assured you will get the very best value you ever obtained in farm machinery.

The reason why they stand so high with the thousands of farmers in this and foreign countries is because they give that **real, genuine satisfaction in the field** which every buyer of farm tools hopes to get. They fulfill the highest expectations; are so positively **dependable**, so thoroughly **practical** and do the work so much better, quicker and easier that when compared by **actual service** with others, their superiority is at once apparent.

Here we show some of them. We cannot tell you all their special strong features here; their exclusive advantages—the points that make them superior to others, or show you by illustrations just why they do their work better, quicker and easier, just why they last longer, why the breakage is so rare, why they are the cheapest; but our 1908 Catalog gives full description of our full line. You should not buy a single tool until you read it. It will help you to avoid making a mistake and post you on latest improvements. A postal brings it. Write today.
