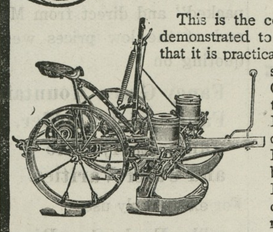
The New Deere No. 9 Planter



This is the corn planter which has demonstrated to thousands of farmers that it is practicable to obtain a perfect stand of growing corn. Our unrivaled edge selection drop, used only on Deere Planters, has become immensely popular. More corn per acre can be grown when the New Deere Planter is used, because it puts the required number of kernels in every hill. And a full stand is the first and most important step in securing the maximum yield of corn. If you are interested, write for our book containing full particulars. It contains information which will enable you to improve the quality and increase your yield of corn. Our handsome and useful pocket companion free

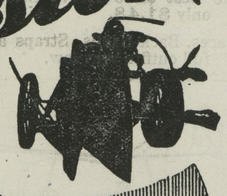
Johnston FARM TOOLS

NOT IN THE TRUST



When you put your money into a **Johnston** farm implement you can rest assured you will get the very best value you ever obtained in farm machinery.

The reason why they stand so high with the thousands of farmers in this and foreign countries is because they give that **real, genuine satisfaction in the field** which every buyer of farm tools hopes to get. They fulfill the highest expectations; are so positively **dependable**, so thoroughly **practical** and do the work so much better, quicker and easier that when compared by **actual service** with others, their superiority is at once apparent.

Here we show some of them. We cannot tell you all their special strong features here; their exclusive advantages—the points that make them superior to others, or show you by illustrations just why they do their work better, quicker and easier, just why they last longer, why the breakage is so rare, why they are the cheapest; but our 1908 Catalog gives full description of our full line. You should not buy a single tool until you read it. It will help you to avoid making a mistake and post you as to latest improvements. A postal brings it. Write today.

LITTLE BROTHER.

I have a little brother now,
He's been here 'bout a week,
He's the funniest thing I ever saw,
I have never heard him speak.

He's such a tiny little fellow,
Not big enough to play;
I wish he hadn't come here,
I didn't want him anyway.

I don't know what his name is,
I never heard 'em say;
But if he stays here long enough,
I'll find it out some day.

I guess he's come to rob me
And tare up my playthings too;
Well if he's going to stay here,
I don't know what I'll do.

When papa gets me candy,
I guess he'll be a hog;
Oh! I wish I had never seen him,
I'd rather have a dog.

LITTLE GLADYS.

Grange Notes.

The well-known firm of Medders & Co. were the successful bidders for furnishing contract prime clover seed and other seed to most of the granges in the county. The firm gave a way down price, and the seed are the best on the market.

Fairlee Grange is making preparations to entertain the County Grange the first Wednesday in April. Lecturer Wm. G. Smyth is arranging a most excellent programme.

The Sassafras Grange is fast becoming one of the largest and most prosperous granges in the county. Its meetings each week are interesting, and its lecturer, Mrs. Morris, is one of the best in the county. They will have a farmers meeting to-day, morning and afternoon sessions. Prof. Close, an authority on agricultural subjects, and Dr. Stabler, State Lecturer, will be the principal speakers. The following is a list of the members to date: Mr. and Mrs. Harry Griffith, Mr. and Mrs. Bradford Johnson, Mr. and Mrs. Robert Johnson, Mr. and Mrs. Anthony Johnson, Mr. and Mrs. Woodall Jones, Mr. and Mrs. Irving Spry, Mr. and Mrs. Scott Rosin, Mr. and Mrs. Willian Colgain, Mr. and Mrs. Paul Allender, Mr. and Mrs. Raymond Thornley, Mr. and Mrs. Earle Davis, Mr. and Mrs. Henry Rosin; Mrs. Louis Dreka, Mrs. John F. Ernest, Mrs. Laura Townsend, Mrs. Belle C. Morris, Mrs. Mairza Shallcross; Messrs. Isaac Gibbs, Joseph Gibbs, John Naylor, Charley Hemphrey, Wilson Cochran, Clarke Colgain, James Davis, Olin Davis, Harry Robinson, Charles Crawford, Noble Ferguson; Misses Alyce Dreka, Thersa Dreka, Etta Price, Alice Walter, Mabel Price, Mary Tarbutton, Helen Davis, Mary Griffith, W. B. Davis, Mr. and Mrs. Curtis Price and several others to be taken at our next metting.

Fairlee Grange has the best minstrel troupe in the country. Indeed such a show as they gave last Friday night in their grange hall would do credit to any city, and the management deserves the highest praise for the high character and rich tone of the entertainment.

Fairlee Grange gave a public meeting last Wednesday and a fine programme was rendered. Misses Julia and Daisy Nicholson edited the grange paper, the Garner, which was full of interest and profit.

The TRANSCRIPT would esteem it a great favor if all the granges in the county would send us an account of the proceedings of their meetings. The grange movement in Kent county is growing rapidly, and the members enjoy reading what the other granges are doing.
