PICKNELL, 35381,

Record 2.15 1/2, Made in Third Heat of Winning Race.

Bred by C. W. Williams, Galesburg, Ill. Foaled 1901. A model in every way. His size, 15.2 hands, weight close to 1050 pounds, and color mahogany bay, are ideal. His disposition and manners are perfect. His breeding, the highest of fashion--a son of the greatest sire of his age, living or dead, Alton 2.09 1/2, the sire of Picknell, he has 292 in the list, world's champion trotting stallion to high wheels, from one of the greatest producing daughters or Baron Wilkes 2.18, the famous Futurity sire, which has 131 in the list. Jay Bird 2.31 1/2, the sire of Alton has 131 in list. A race horse himself, never having worn hobbles nor other false rigging; started green in the late summer of 1906 in six races, winning two of them, and was well up into the money the other four, he has (though prominent horsemen have pronounced him capable of a record of 2.05 or better) been retired to the stud, sound, clean, superbly handsome, with vigor and vitality unimpaired, saving for his offspring what a mere racing-machine wears out on the track.

PICKNELL will make the season of 1910 at my stable, Kent and Calvert streets, Chestertown, Kent Co., Md., at \$15.00 the season, or \$25.00 to insure approved mares. Will not be responsible for accidents or escapes, but best care taken of mares sent to me. For extended pedigree that will interest any horseman or for fuller particulars, call on or address

LOCAL MATTERS

Road Contract Let.--The State Good Roads Commission has given the contract for building 4.55 miles of State road to the Juniata Paving Company for \$43,916.79. Of this sum \$4,982.75 is for grading, \$34,274.34 for stone macadam and \$4,959.70 for freighting and draining. This is at the rate of nearly \$10,000 per mile.

Wedding Announcement.--Mrs. M. C. Ringgold, of Salisbury, formerly of Chestertown, has issued invitations to the marriage of her daughter, Eloise Davis, to Lieutenant James Alfred Merritt, United States Army, on Thursday evening, April 14th, 1910, at nine o'clock, in St. Peter's Church, Salisbury. A reception will follow the ceremony at the home of the bride's sister, Mrs. John M. Toulson, from half after nine until eleven o'clock. Miss Dovie Connelly, of Chestertown, will be one of the bridesmaids.

Driest March on Record.--The month of March just closed will go down in history as the driest March since the establishment of the weather bureau service, 39 years ago. Only 46 hundredths of an inch of rain fell in the 31 days. The month also made a try for the hottest March on record, and came near succeeding. On one day, March 25th, the thermometer registered 83 degrees. In 1907 the temperature reached 86 degrees. As a whole, however, the month has been one of the most reasonable for years, and vegetation is in fine condition. But how about April?

TOLD IN BRIEF.

—The overall plant has begun operations.
—Straw hats have come out of winter quarters.
—Yesterday was April 1. Did you get fooled?
—Washington College will open on Monday. All the students are expected to return to-day.
—Ideal weather for the farmers. When they are happy, everybody else seems to get chery.

—There is a palmist in town. Ladies now is your chance to have your fortune told.

—Messrs. William C. Sutton and Merrick Clements received their fine Buick automobiles this week.

—Mr. Enoch Latham won the second set of matches offered by Vansant & Newsome on Tuesday.

—Mr. Otto Voigt, of New York, purchased the Goose Hill property from J. Waters Russell, real estate broker, this week.

—Mr. Ollie Estes has accepted a position with the Good Roads contractors who are building the Queen Annes road near Chester bridge.

—Chester cemetery looked beautiful last Sunday. The dead were lovingly remembered with beautiful flowers. Crowds visited the cemetery during the day.

—An interesting article of Washington College history will be found in the supplement this morning. See if any of your ancestors are among the early students.

—One of the finest yachts ever seen in these waters visited Chester harbor on Saturday. It was owned by a Mr. Clark, and is said to have cost \$35,000. It was a beauty.

—A well-known farmer shipped two lambs to Baltimore last week, one weighing 30 lbs. and the other 32 lbs. He cleared more than \$14 on the two. That's fine for the farmer, but Oh! you laboring man.

—Bay shad have made their appearance in local markets and have been selling for 75 cents for roes. If the people are willing to pay such prices as these, the venders will be very willing to sell.

—County Surveyor Taylor surveyed the lines for the extension of Cross street through the water works ravine to Philosopher's Terrace, on Monday, and the Town Commissioners will open a new street in that section.

—Mr. James Dunbracco, who has been agent for the Prudential Life Insurance Company here has resigned to accept a position with real estate broker J. Waters Russell. Mr. Harry B. Nicholson will take Mr. Dunbracco's debit.

—At a meeting of the trustees of the Chestertown M. E. Church, held on Wednesday afternoon, Messrs John C. Davis, and Herbert E. Perkins were elected members of the board to fill the vacancies caused by the death of Dr. J. T. Twilley and Hon. Marion deK. Smith.

—Mr. Alwyn M. Culp is preparing to erect another fine home on Mt. Vernon Place between the residences of Messrs. Merrick Clements and Chas. McCleary.

Mr. Culp deserves great credit for the efforts he has made to improve this desirable residence section of the town, as do also all the others interested.

—Mr. Daniel Cox, the efficient keeper of Chester bridge, fined an automobilist \$2.50 for violating the speed law on Sunday afternoon. The gentleman promptly paid his fine. He was a stranger, but Uncle Dan is no respecter of persons.

The man who crosses Chester bridge must observe the law while he is keeper.

—An important change of schedule goes into effect on the Chester River Line of the Md. Del. & Va. Company on Monday morning. The steamer will leave Chestertown at 7 A. M. on Mondays, Wednesdays and Fridays and Baltimore other days at 1 P. M. She will make round trips to Rock Hall alternate days same as last year.

THEIR DEATH KNELL.

The following article appeared in last Saturday's issue of the Organization Organ:

As noted elsewhere Joe Cannon has met his Waterloo. Why? Because he was a boss in himself not caring for public opinion and riding rough shod over the people. It is indeed a sign of awakened interest of the people in what concerns them. As long as a Boss does what the people desire all goes along smoothly but when public opinion is set aside down comes the Boss. This applies as forcibly to Kent county politics as to national affairs.

In the light of what has been done by the bosses' representatives in the Legislature from Kent county, the above article seems to us to sound the death knell of the Organization forces in Kent county. Six hundred and more tax-payers in Kent county, hundreds of them among our largest landowners and most conservative citizens, petitioned our representatives in the Legislature to pass a law similar to the Caroline County Road Law. The bosses of the Organization have utterly disregarded the wishes of the men whose money pays the bills, and according to their own organ, "when public opinion is set aside down comes the Boss." You have sounded the death knell, brethren. Don't you feel your feet slippin'?

Legislative Doings.

The Slay Road Law was reported favorably in the house yesterday morning. Mr. Willis' bill likely become a law.

Mr. Willis' bill providing for a new registration in 1910 passed the House on Thursday. It now goes to the Senate.

The bill for indexing the court records has passed both houses and is up to the Governor.

The loan bill for Chestertown has passed both houses and goes to the Governor. This is the bill that makes a figurehead of the Water Board.

The House passed the Lee State wide primary law, preferring it to the Straus bill. It now goes to the Senate.

The bill giving a pension of \$50 to Mr. Jesse G. Dwyer has passed the Senate and is up to the Governor.

Mr. Harris' catfish and eel bill has passed and awaits the Governor.

Mr. Willis' bill relating to treasurer's discounts on State taxes was killed in the Senate.

The bills repealing appropriations to Normal Hall, and giving same to Washington College, have passed both Houses.

Senator Slay's road law, giving the Governor the power to appoint the road engineer, has passed the Senate.

Delegate Harris' bill providing bond issue for Betterton has passed.

Rich Neck Farmers.

The Rich Neck Farmers' Club was delightfully entertained on Thursday at the home of Mr. and Mrs. Chas. McKee in Queen Annes. The subjects interestingly discussed by the members were: "Pasture Fields," "Seed Corn and Cultivation," and the extension of the telephone service to rural districts in Queen Annes. A splendid dinner was served. The present were: Dr. Kendall, Daniel McKee, J. H. Jefferson, Mr. and Mrs. Albert Story, Mr. and Mrs. C. A. Baxter, Mr. and Mrs. F. Baxter, Mr. and Mrs. Thos. Smith, Mr. and Mrs. J. C. Smith, Mr. and Mrs. Henry Smith, Mr. and Mrs. Chas. Leager, Mr. and Mrs. C. L. Jarrell, Mr. and Mrs. Archie Fields, Mr. and Mrs. J. B. Newman, Mr. and Mrs. J. T. Anthony, Mr. and Mrs. W. H. McKee, Mrs. Ramie Zesiel, Misses Mary Magrogan, Mattie Magrogan, Florence Green, Louise Kendall, Caroline McKee, Rose Elmer McKee, Messrs. H. P. Skipper, W. I. Walker, Jos. Massey, B. F. Potts, Rich. Clothier, Jim Magrogan, Green, Louise Kendall, Daniel McKee, J. C. Rochester, Misses Katie McKee, Annie McKee, C. E. McKee.
