HAakon, No. 43404

FOALED MAY 23, 1904. By Onward Silver 2:05 1/2, Champion Trotting Stallion of 1901. Haakon is a dark bay horse, 16 hands high, weighs 1200 lbs., white nose, both hind legs, and left fore pastern white. Bred by Mr. William H. Whitridge, Baltimore, Md. Haakon is a trotter, and is one of the handsomest horses in the country. He took 1st prize at a 5-year-old at Timonium Fair, Baltimore Co., Md., and 2nd prize as a 4-year-old at Madison Square Garden, Horse Show, New York. Haakon's sire was the champion race stallion of 1901. Having gone 32 heats to win 6 races, which shows his wonderful endurance, in conjunction with his extreme speed, both of which he imparts to his offspring. Haakon's conformation, looks and size compare with those of his great sire Onward Silver 2:05 1/2, which fits him as a stud to produce colts that would suit for any purpose such as a race horse, coach horse, show ring, saddle or general utility, as he has a very mild disposition with good manners. As his pedigree shows his ancestors have excelled in speed, they are at the same time producers of the same, back to Hambleton 10, on his sire's side, to Mumbingo Chief on his dam's side, the two greatest sires of standard bred horses in the world. You can not make any mistake by breeding your mare to this horse, because of his individuality as well as to his breeding. Haakon will make his season in Kent and Queen Annes counties at \$25.00 to insure mare in foal. Will not be responsible for accidents or escapes, but best care taken of mares sent to us. Parties parting with mares responsible for colts. For further particulars address, P. U. SMITH, m19-2m. Millington, Md., R. D.
