Wedding Anniversary.

Mr. and Mrs. John R. Bennett, of Kennedyville, celebrated the 50th anniversary of their marriage at their beautiful home in Kennedyville, on Monday evening, May 16, 1910.

Mr. and Mrs. Bennett were originally Delawareans and were married at St. George's, Delaware, on May 15, 1860. After spending the early years of their married life in Delaware, they decided to leave their native state and come into Maryland.

They purchased the Kennedyville farm at Kennedyville and lived in peace and prosperity for many years. About ten years ago they retired from active life and purchasing the Dr. Jacob's Mansion in Kennedyville, have resided there ever since.

They have been a remarkably healthy and active couple, both of whom are beyond the three score and ten mark, and are enjoying good health. A notable feature of this event was that the bridesmaid and groom of their youth, Mr. and Mrs. Isaac Cleaver, were with them on this occasion. They too are well preserved.

The house was trimmed with golden paper and cut flowers and presented a rare scene of beauty and grace. Preceded by their children and grand children, Mr. and Mrs. Bennett marched into the parlor to the strains of "Lo-henzrin" played by their grand daughter Anna Burch Smyth, daughter of Prof. and Mrs. J. L. Smyth, of Chestertown, where Rev. Mr. Mullineaux, of the "Methodist Protestant Church" at Kennedyville, made a beautiful address, relative to their past life and the hope of continued prosperity and usefulness in the future; and closed with a fervent and ardent prayer for their long and happy union, not only in this world but in the "Great Beyond".

After this all the company were invited into the dining room where the tables were groaning beneath their burdens for the gratification of the inner man, and each one did full justice.

Then came the renewals of "ye olden times" and many reminiscences were recalled of the years gone by. Everyone seemed to be delighted to be present on this occasion and to meet and talk with everyone else. Good cheer reigned supreme. They were the recipients of many beautiful and useful presents. Not the least noticeable of which was about sixty dollars in gold.

On the tables were two large wedding cakes highly decorated and with the inscription 1860-1910 with fifty in the centre.

Among those present were: Mr. and Mrs. Aldice Cleaver, Mrs. Isaac Cleaver and children, Mr. and Mrs. Samuel Hammond, Mr. and Mrs. John Nelson, Mrs. John Lister, Mrs. Sallie Stapleford and son, Norman, and Mr. Edw. Sparks, of St. George's, Del.; Mrs. Lizzie Brock, of Chesapeake City; Mrs. Rebecca Rooks, of Philadelphia; Mr. and Mrs. George Bennett, of Lancaster, Pa.; Mr. and Mrs. Samuel Hutchison, Kenton, Del.; Mr. Cavender Hutchison, Wilmington, Del.; Rev. and Mrs. Mullineaux, Mr. and Mrs. Isaac Cleaver, Mr. and Mrs. Wm. B. Cleaver and son, Mr. and Mrs. Atwood Richards, Mrs. Annie Price, Mr. and Mrs. Jefferson L. Smyth, Mr. and Mrs. J. S. Webb, Mr. and Mrs. Caleb Jarvis, Mr. and Mrs. John N. Bennett, Mr. and Mrs. Charles Smith, Mrs. Wm. S. Hurlock, Mrs. Rachel Hill, Mrs. Susie Shallcross, Mrs. Frank Miller, Misses Anna Smyth, Lida Price, Susie Hill, Messrs. PICKNELL, 35381,

Record 2.15 1/2, Made in Third Heat of Winning Race.

Bred by C. W. Williams, Galeburg, Ill. Foaled 1901. A model in every way. His size, 15.2 hands, weight close to 1050 pounds, and color mahogany bay, are ideal. His disposition and manners are perfect. His breeding, the highest of fashion—a son of the great sire of his age, living or dead, Allerton 2.09 1/2, the sire of Picknell, he has 202 in the list, world's champion trotting stallion to high wheels, from one of the greatest producing daughters or Baron Wilkes 2.18, the famous Futurity sire, which has 181 in the list. Jay Bird 2.31 1/2, the sire of Allerton has 131 in list. A race horse himself, never having worn hobble nor other false rigging; started green in the late summer of 1906 in six races, winning two of them, and was well up into the money the other four, he has (though prominent horsemen have pronounced him capable of a record of 2.05 or better) been retired to the stud, sound, clean, superbly handsome, with vigor and vitality unimpaired, saving for his offspring what a more racing-machine wears out on the track.

PICKNELL will make the season of 1910 at my stable, Kent and Calvert streets, Chestertown, Kent Co., Md., at \$15.00 the season, or \$25.00 to insure approved mares. Will not be responsible for accidents or escapes, but best care taken of mares sent to me. For extended pedigree that will interest any horseman or for fuller particulars, call on or address

There Comes A Time

When letters blur, when lines run together, and reading becomes difficult, especially in the evening. This blurring is caused by the eye not being able to focus at the normal reading distance—fourteen inches. The vision in the distance is as clear as ever, and this fact leads many to believe that glasses are unnecessary, but this is just the time when the first pair of glasses is needed. A continuation without glasses causes an undue strain on the muscles of the eye, and a dull headache is the result; a person gains nothing by doing without glasses when they are needed, in fact they gain much by having glasses fitted when the first blur indicates failing vision.

"Our glasses are reasonable in price—your sight is priceless."
"You cannot get new eyes, but you can get new glasses."
