A Guest of Honor at the Rich Neck Farmers' Club, Thursday, 19th.

By RIDER HAGGARD.

By a singular combination of incident and accident we found ourselves Thursday afternoon, 19th, at "Wilberton," Queen Annes county, home of Mr. J. B. Newnam, which happened to be the meeting place on that date of the Rich Neck Farmers' Club, which is certainly rightly named as the section is rich by name and nature. Mr. Newnam has 375 acres and four children, with a beautiful home in which happiness does of a necessity reign. The meeting which was enjoyable as well as successful lasted from 2.30 to about 8 30 P.M., at which nothing but farming was discussed, no others being admitted to the club. There are 15 active members and three honorary, two of the latter are from Kent county, namely, Messrs. C. L. Jarrell, of Chestertown, and Ed. B. Emory, of Quaker Neck, not far out. Mr. F. L. English the other honorary member, lives near Queenstown. He's the inventor of a patented feed rack for sanitary dairies. He and Mr. Jarrell were present but Mr. Emory was not. There were from 60 to 65 at the meeting about half and half of both sexes. Those who enjoy music had an opportunity. Mr. Newnam's piano furnished the "via media," and musicians present did the rest. The meetings get around the circle every 15 months, that is, it will take that time to get back to Mr. Newnam's. President Mr. H. P. Skipper, vice-president Mr. Albert Story, and secretary Mr. J. T. Anthony. Speeches were made by Mr. Walker, Mr. Skipper, Mr. Anthony and others. Mr. Walker furnished working statistics to an astonishing degree. Mr. Skipper "skipped" nothing in his review of a recent visit to New York, including the dinner he "didn't skip" in Chinatown, costing $5 per to a baker's dozen. It was interesting, so much so that should the opportunity offer again, we're not going to "skip" Mr. Skipper. After his semi-humorous dissertation Mr. Anthony's serious but appropriate remarks which closed the meeting, seemed like a benediction, and as he called attention to the fine roads of Queen Annes county he thought it would be wise not to forget "The King's High Way" and the "golden streets" beyond the stars, where he hoped the Rich Neck Club would have a "Rich" as well as a grand re-union some day, and after profuse thanks to Mr. and Mrs. Newnam which were richly deserved, scatteration followed, after a most enjoyable evening. From what we saw Thursday there is no race suicide in Queen Annes county. Neither is there any angel with a flaming sword to keep you out of her beautiful Edenic pastures. It would not be surprising to find she at one time possessed, if she does not yet, "The Garden of Eden."

We are under obligations for special courtesies to Mr. C. L. Jarrell and Mr. E. B. Emory, each in the same manner though on different occasions.

RIDER HAGGARD.

P. S.—Having made a special trip to Mr. Walter Morris' stock farm and being caught in the rain last Friday evening, it became a case of "any port in a storm." In this case the "port or haven" is owned and occupied by Mr. John Francis Dodson, a grand (young) old Kent countian of 74, whom it is a great pleasure to meet, and the pleasure is not confined to the mere conversation of the moment, as Mr. Dodson leaves a lasting because pleasing impression, as a thoroughly upright patriarchial honorable christian gentleman, whose earnest implicit faith is indeed refreshing and edifying, and makes Mr. Dodson far richer than the owners of millions without such a consoling and beautiful "leaning staff." He has lived at Clover Hill, as his farm is called, for 32 years. He has four children living, and nine grandchildren, two of whom live with him, Miss Edith and Master Earle Dodson, brother and sister, 16 to 18, and very much attached. Mrs. Prettyman, his daughter, keeps house while Mr. Prettyman and Mr. Dodson live at "Working Station." The household at Clover Hill is peaceful and comfortable and its four occupants necessarily happy. May they long continue so is the writer's wish. The usual calm that follows a storm showed up Saturday morning when we visited Mr. Morris' place, which is not far from Mr. Dodson's. As Mr. Morris is an early bird we got there a little after 7 A. M., it was too late to see Mr. M. but we did see about 75 to 100 of his beautiful stock, of which later.

PICKNELL, 35381,

Record 2.15¼, Made in Third Heat of Winning Race.

Bred by C. W. Williams, Galesburg, Ill. Foaled 1901. A model in every way. His size, 15.2 hands, weight close to 1050 pounds, and color mahogany bay, are ideal. His disposition and manners are perfect. His breeding, the highest of fashion—a son of the greatest sire of his age, living or dead, Allerton 2.09¼, the sire of Picknell, he has 202 in the list, world's champion trotting stallion to high wheels, from one of the greatest producing daughters or Baron Wilkes 2.18, the famous Futurity sire, which has 131 in the list. Jay Bird 2.31¾, the sire of Allerton has 131 in list. A race horse himself, never having worn hobbles nor other false rigging; started green in the late summer of 1906 in six races, winning two of them, and was well up into the money the other four, he has (though prominent horsemen have pronounced him capable of a record of 2.05 or better) been retired to the stud, sound, clean, superbly handsome, with vigor and vitality unimpaired, saving for his offspring what a mere racing-machine wears out on the track.

PICKNELL will make the season of 1910 at my stable, Kent and Calvert streets, Chestertown, Kent Co., Md., at $15.00 the season, or $25.00 to insure approved mares.

Will not be responsible for accidents or escapes, but best care taken of mares sent to me. For extended pedigree that will interest any horseman or for fuller particulars, call on or address

—IN THE—

Mutual Fire Insurance

of Kent County.

During the past 13 years it has paid to its policyholders for fire losses $80,000.00.

During the same period has returned to them in settlement of policies canceled $65,000.00.

Has now to their credit over $70,000.00.

The books of the company show that at the present the saving from insurance when policy was taken out in the years mentioned below to be as follows:

1896—Savings from.....50 to 55 per cent.
1898— " " .....50 to 60 " "
1900— " " .....45 to 50 " "
1905— " " .....60 to 65 " "

Last year the cost of Insurance was only about one half of payments made.

Applications for insurance can be made to
