Now for the county tax rate.

THE great work for the new board of almshouse trustees to accomplish is to put the county farm on a better paying basis.

GOV. CROTHERS has acquired control of the Board of Public Works by the appointment of Senator Clagett as Comptroller. What's going to happen to Col. Bruce Schley?

MR. C. S. HURLOCK, one of the most prominent agriculturists of the First district, having yielded to the requests of his friends throughout the county, has announced himself a candidate for County Treasurer, subject to the approaching primaries. Mr. Hurlock is well-known throughout the county, is a Democrat who has always labored for the interests of his party, and is entitled to recognition from the voters.

WE DO NOT agree with the Baltimore Sun that Governor Crothers has made a mistake in the appointment of Dr. J. W. Hering as a member of the Public Utilities Commission. From the standpoint of ability, strong character and party loyalty, the appointment of Dr. Hering is an eminently fitting one. Dr. Hering's age is by no means a consideration, as he is a remarkably well preserved man, and his faculties of mind and body are as active as those of a man many years younger. Perhaps there would have been no criticism of the doctor's appointment had he been a resident of Baltimore city.

THE National Republican party is in a dire predicament. Several envoys with extraordinary powers have been sent to the old world where Mr. Roosevelt is keeping himself in the limelight, importuning him to hurry to the States to save the Republican party from sure defeat in the fall election and the Taft administration from disgrace and ignominy. Mr. Roosevelt will find that he has an Herculean task on his hands to save his party from the consequences of a condition which it has created through the operations of an iniquitous tariff which his party has created, and which he, as well as President Taft, retained during his two administrations, and we are convinced that the people of this country are too smart now to be caught by any argument which Mr. Roosevelt may use or any influence he may exert to convince the American people that the Republican party has proven itself worthy and capable of administering the affairs of the country in the interest of the masses of the people. The price of bread and bacon is the great issue in the coming campaign, and so long as the Republican party is retained in power in this country, it will be a government of the rich, for the rich and by the rich, against the poor tariff oppressed classes. Mr. Roosevelt can no more lower the price of pork and beans, bread and bacon, than he can fly without an air ship. He is a brilliant man and a statesman, but if he remained in the White House for two terms and permitted the iniquitous Dingley tariff to oppress the people, how can he break the power of the trusts and corporations and compel them to give tribute to the common people as a private citizen? The Republican party has proven itself to be a party of great promises during politcal campaign, and a party of great oppression of the masses during its reign, and the day of reckoning is at hand. The people are aroused, and after the flare and glare of home-coming is over, they will settle down to a consideration of their burdens, and the evidences of graft and scandal among Republicans in high places, and they will then judge what is best for their own welfare. Now is Democracy's opportunity. Accept it, and prepare the way for the coming of economy in administration and equal and just rights for all men.

BASE BALL NOTES.

The first team of Millington crossed bats with a strong aggregation of Wilmington players on the Millington diamond on Monday afternoon in two well played games, winning each by good margins. Rash and West pitched great ball for Millington, while Road Engineer Gibbs was on the receiving end. If Engineer Gibbs makes as good a road builder as he is a base ball catcher, he will be a cracker jack.

The Stars christened their new suits on Saturday by defeating Church Hill team at Church Hill. Score 15 to 8.

The second team of Washington College played a return game in Centreville last Saturday, defeating the latter team by a good margin.

The first team of Washington College went to Baltimore yesterday to defeat Mount St. Joseph's team. This team will be the opponents of the college for one of the commencement games.

Manager Jimmy Johns will bring his crack Rock Hall team to Washington Field this afternoon for a return game with the second team. Rock Hall took the first game at Rock Hall several

Improvement to Water System.

The Chestertown Water Board, Messrs. Bacchus, Bowers and Satterfield, are making arrangements to begin the improvements to the water system about July 1. The work of laying six inch mains will begin on Washington avenue, and it is hoped to so arrange the work as to cause the water takers to be as little inconvenienced as possible. Extra fire plugs will be laid along the avenue as the pipes are laid. Four inch mains will be laid on Kent Circle from Washington avenue to Calvert street; on College avenue from High to Cannon street, and on Cannon street from College avenue to Kent street. Fire plugs will be installed along these streets and also at other needed places in the town. Besides the 15 plugs which are now being installed, 20 others will be located in the town as a part of the additional fire protection. Other improvements to the mains are contemplated as the work progresses. Proposals for bids for doing the work of laying the mains, and repairing the pool and digging the new resorvoir as well as for furnishing the material for the same, with the exception of the mains which have been ordered from New York, will be advertised, the lowest bidder, who receives the contract, will be required to give bond for the faithful performance of the work. Proposals for laying the mains and making all connections will be advertised probably next week, and it is hoped to have the work begin not later than July 1.

Trustee's Sale
—OF A—
Fine Farm
IN THE SECOND ELECTION DISTRICT OF KENT COUNTY, MD.

UNDER and by virtue of a Decree of the Circuit Court for Kent county, Maryland, passed in Chancery Cause entitled Minnie Pennington et al, vs. Robert Pennington et al, No. 1738 Chancery, whereby the undersigned was appointed trustee to sell the real estate hereinafter described, I will offer at Public Sale in front of the Court House Door, in Chestertown, Kent county, Maryland, on

Tuesday, 28th Day of June, 1910,

between the hours of 11 o'clock A. M. and 12 o'clock noon,

ALL THAT FARM,

situated, lying, and being on the south side of the public road which leads from Galena to Chestertown at the corner of the road which leads from said road to Black's Station, now occupied by George Thomas Bramble, adjoining the lands of the Constable heirs and Mrs. W. E. Waters. This farm is known as

"The Jervis Spencer Home Farm,"

AND CONTAINS

316 ACRES,

3 Roods & 13½ Perches of Land, more or less,

according to a survey and plot thereof made by Dr. Edward A. Scott, surveyor, a copy of which plot can be seen at the office of the undersigned.

This farm is under good fencing, improved by a large and comfortable

FRAME DWELLING

The outbuildings consist of Barn, Stable, Corn Crib, Carriage House, etc., all nearly new and in excellent condition.

The dwelling is approached by a magnificent lawn finely set in beautiful choice shade trees, and the estate is one of the handsomest in Kent county.

No more beautiful Home than this has been offered at public sale in this, the richest part of Kent County, in the past 25 years.

The soil is rich medium loam with red clay sub-soil all of the finest quality. There is perhaps no farm superior to this in any part of Kent. It is especially adapted to the growth of wheat, corn, grass and fruits. Such a beautiful estate has rarely been offered on the market. It is within one mile of Black's R. R. Station and close to the village of Locust Grove. Churches, Schools, Telephone, Telegraph and on Free Rural Delivery. The State road is now being constructed past the farm. The land is in the highest state of cultivation, is of unusual fertility, and will grow under proper cultivation 30 to 40 bushels of wheat and from 80 to 90 bushels of corn.

It is the same farm which is described in the last Will and Testament of J. Thomas Pennington, late of Kent County, deceased, dated the 3rd day of July, 1908, duly executed, admitted to probate and recorded in Wills Liber J. E. M., No. 1, folios 159, etc., as on reference to same in the office of the Register of Wills of Kent County, Maryland, will more fully and at large appear.

THE TERMS OF SALE

As prescribed by the decree are: One-third of the purchase money cash on the day of sale and the residue in two equal installments payable respectively in one and two years from the day of sale. All unpaid purchase money to bear interest from the day of sale, or the purchaser may at his option pay all cash. All title papers at the cost of the purchaser. Taxes for the year 1910 will be paid by the trustee. The wheat crop and all crops on the farm except the corn crop will be reserved.

Notice to Road Workers.

By virtue of authority vested in me as Road Engineer for Kent county, under the recent local law passed by the General Assembly of Maryland for this county, all work on the public roads is ordered discontinued, as all bills for work must have my approval. No work can be done under the law except by order of the Engineer.

The appointment of Supervisors will be deferred until their need is evident. It will be our purpose to do only necessay work and to help keep the road expenses down to the bottom dollar.

We ask for the co-operation of the tax-payers and assure you that we shall do our utmost to give satisfaction.

You will confer a favor upon the undersigned by notifying him of the urgent need of repairs as to washouts or damage to bridges, etc.
