The Best-Wearing and the Most Comfortable Dollar Corset is the "HOUSEWIFE"

The Housewife is a two-in-one corset—equally good for work and for dress purposes

TIME was, when a woman was forced to wear her old corsets when she did housework—her new corsets were too stiff and uncomfortable, or they "cut" under the arms.

Then we introduced the "HOUSEWIFE" Corset—and now thousands of women are wearing it.

It is comfortable from the first minute—you can wear it at home and do your work in absolute ease—and its lines are so graceful that you can wear your best gown over it and look better than you ever looked before.

The "HOUSEWIFE" Corset is made of light, firm white batiste, cut low under the arms for comfort, and double-boned for durability.

It will outwear two pairs of the ordinary dollar corsets.

All sizes from 18 to 30—at \$1.00 a pair.

Rock Hall Items.

Miss Rolman, of Baltimore, is the guest of Miss Valery Connor, of Gratiot, this week.

Prof. Greenhawk received a very pretty birch canoe from the Old Town Canoe Co., Old Town, Maine, last Monday. The canoe is 18 feet long, 35 1/2 inches wide and is finished in white cedar and spruce covered with canvas lined and covered with a coat of green japan. The little craft weighs only 83 pounds and can be readily carried anywhere by two persons.

The Mechanics' minstrels made another grand success in Fairlee last Tuesday night. Although the hall was not crowded, the boys had the audience filled with laughter for two and a half hours. While they had several absentees from their ranks, the substitutes did remarkably well. Several new songs were added to the program which was applauded with much fervor from our Fairlee friends. The minstrels wish to thank the members of the Grange for the use of their chairs.

The annual commencement of the Rock Hall High School will be held in Rock Hall M. E. Church on Monday night.

The friends and patrons of the high school are invited to attend next Monday, Tuesday and Wednesday the exercises of the school. This department of the school has been in charge of Prof. Greenhawk for the past three years, and shows a great advancement in the work on the part of the pupils as this year's work surpasses any of the previous exhibitions. This work will be on exhibition in the shop on the above named days from 9 A. M. to 12 M. and from 1 P. M. to 4 P. M.

Mr. Frank Kerr and wife and Bradley and lady friend, all of Baltimore, were the guests of Capt. Charles Kerr last Saturday and Sunday.

The 8th, 9th and 10th grades of the high school will give the senior class a banquet and dance at the Chesapeake House Friday evening at 8 o'clock.

Soft crabs are very plentiful here and most any afternoon you may see Charlie catching little spiders. Oh, you Charlie, don't I know when I am shot? Ha! ha!

Friends from Snow Hill are visiting at the parsonage of the M. E. Church.

A Shocking Accident.

Master Hulet Pennington, the thirteen-year old son of Dr and Mrs. L. R. Pennington, of Havre de Grace, on Saturday morning of last week, while out rowing a boat on the river near Oakington, with another boy, Theodore Schmitzlein, picked up a gun that was lying in the boat with the muzzle towards him—and the wound dressed, and it is believed that his arm will be saved.

The little patient is bravely bearing his suffering and is doing as nicely as can be expected.

His mother was visiting relatives in Wilmington, at the time of the accident and both her and the Doctor have the warmest sympathy of every one, hoping that Hulet's recovery may be speedy and complete.—Havre de Grace Republican.

The little boy is a nephew of Mr. Liston Pennington, of near Millington.
