"In A Bad Way."

Many a Chestertown Reader Will Feel Grateful for This Information.

When your back gives out; Becomes lame, weak or aching; When urinary troubles set in; Your kidneys are "in a bad way." Doan's Kidney Pills will cure you. Here is good evidence to prove it. Mrs. William Holston, 215 S. Governor Ave., Dover, Del., says: "I was in a bad way as the result of kidney trouble. If I sat down, I could hardly arise and had to be very careful how I moved, as sharp pains often darted through my kidneys. I was treated by doctors, but found no relief, in fact, steadily grew worse. The secretions passed too frequently, but were scanty and distressing and on arising in the morning, my back was so lame that I could hardly move. I finally procured a supply of Doan's Kidney Pills as they had been highly recommended as a cure for such troubles. The contents of two boxes removed every symptom of my complaint. I shall substantiate this statement to anyone asking me about it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
