The New Fall Models of The "Housewife" Corset Are Ready - - - \$1.00

Better than ever—we have learned to put into these corsets even more than the big dollar's worth which we have been giving. Housewife Corsets are the best all-round corsets made—equally adaptable for dress or working corsets.

The ordinary dress corset is not a good working corset—it is too stiff and it is very likely to bind under the arms. The "Housewife" is built to avoid this. It is firmly but flexibly boned—and it is cut low under the arms, giving absolute freedom while sweeping, dusting or performing other household duties. It requires no "breaking in"—from the first moment you put it on it is as comfortable as an old corset, and yet its lines are so graceful that your best suit or costume will look its best when worn over a "Housewife."

Fall models in fine coutil—white or drab—double boned—with hose supporters attached—all sizes from 18 to 30.

\$1.00—and it will outwear two pairs of the average dollar corset.

WE Prepay freight on all orders of \$5.00 or over, within a radius of 200 miles from Baltimore ::

The exercises will be under the direction of State Supt. Geo. H. Nock, assisted by the pastor, Rev. John M. Kelso and the superintendent, Mr. Benjamin Rash. Neighboring churches and Sunday schools of the various denominations are invited to participate. The exercises will be as follows: Sunday morning at 9.30 there will be a testimony meeting, when opportunity will be given cold christians to get warmed up, narrow christians to get broad, and indolent christians to get a move on them. Fifteen minutes will be devoted to a stirring conference for the discussion of vital themes, and at 10.30 State Supt. Nock will preach from the text: "And thou shalt teach them diligently unto thy children." Deut. 6:7.

Sunday afternoon, after a brief session of the Sunday School, Mr. Nock will give a five-minute review. A few minutes will be devoted to a conference, and then a children's meeting will be held. Addresses will be delivered by the pastor and the State Supt. Mr. Nock will use a magnet to illustrate his talk. It is desired to have all the children of the neighborhood present.
