DEMOCRATIC TICKET.

FOR CONGRESSMAN FROM FIRST CONGRESSIONAL DISTRICT

J. HARRY COVINGTON,

OF TALBOT COUNTY.

THE effect of Mr. Roosevelt's tour through the west has convinced many of his friends that he can secure the Republican presidential nomination in 1912 for the asking. What do Tim Woodruff, Herbert Parsons and uncle Joe Cannon think of that?

MR. BRYAN blandly insinuates that Roosevelt has stolen his thunder. What difference does that make to Roosevelt? He's after getting hit by the 1912 presidential lightning. He don't care the snap of his finger whether he steals Mr. Bryan's or anybody's else thunder.

CHESTERTOWN can make an effort to support four banks, but it seems that all its efforts to successfully run an overall and shirt factory here resulted in failure. Isn't Chestertown a manufacturing town as well as a banking town? The banks may be in a position to answer this question.

GOVERNOR CROTHERS is making a serious mistake in his investigation of the Police Department of Baltimore city. He appointed a Board of Police Commissioners whose duty it is to keep a close watch upon every phase of the work of the department, and if he has no confidence in the ability of these men to attend to their duties, he should ask them to resign and appoint those who can manage the department. The Governor of the State has no legal authority to make such an investigation, and it should be left to those whom he has appointed to do the work.

FOR the first time in the history of the world, the impression is conveyed that a newspaper's circulation was on exhibition, *and it took the prize.* That was because it was the only circulation exhibited. If the TRANSCRIPT's circulation had been on exhibition, the other fellow wouldn't have been in it. The Tolchester fair programs stated the truth, when they said "The TRANSCRIPT has the largest circulation of any newspaper in Kent County." And we are ready to prove it when the necessity arises. We trust we bear *our* laurels with becoming modesty, and it is with pride that we state that our subscription list is growing every week.

IT SEEMS to be the effort of some of the Organization adherents now to stir up as many three-cornered fights for the various offices next year as they can. Some of these adherents are making all sorts of promises and pledges to adherents of the Anti-Organization if they will become a candidate for this and that office. They are having difficulty to secure bona fide Organization candidates because there are so few who believe that the Organization stands any chance whatever in the next primaries, and they are using their efforts to induce as many Antis as they can to announce their candidacy, promising them their support. When the time comes to vote the situation will result in exactly the same manner it did with such good men as Dr. Barwick, Mr. John Bell and Mr. Wm. Clayton. The Organization forces made all sorts of promises of support to these men before the primaries and then went to the polls and nearly every man of them voted for the Organization candidates. This is the same game they are attempting to play again in some quarters with some good men, and if these men are so foolish as to be used as tools by the Organization to defeat the will of the people, the voters of the county who have the financial and political welfare of the county at heart, should be warned of a scheme that is being laid to defeat their will, and there should be no more such contests as were waged in the last primaries. This game is already being attempted in the Seventh District, where Mr. Harry Nichols has been indorsed for County Commissioner, and who is one of the most deservedly popular men in the county and an ideal candidate for County Commissioner. The Organization is leading one of our good friends to believe that they will support him for County Commissioner and by the time they get this good friend in the fight they will spring a candidate of their own and give our friend the cold shoulder. There is no man in the county who knows the truth of this statement better than this friend, because he was one of the most ardent opponents of the three-cornered contest against William J. Tarbutton last year in the county. And we understand efforts are being made in other parts of the county by the Organization to bring other men not allied with their faction as candidates only to desert them at the critical moment. We say this much because of the fact that the Anti-Organization always plays the straight and honest game in politics. They indorse candidates for office whom they believe capable and worthy, and they stick to them through thick and thin. We never jeopardize the party in an election by creating sore spots in a primary.

PEOPLE'S COLUMN.

☞ The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiment expressed or not, the people should and may be heard through the TRANSCRIPT's columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

TO THE EDITORS :

SIRS :—May I again use your valued columns to inform the public of exactly what has transpired in the matter of Gale's Wharf ? I have been endeavoring in every wise to come to an understanding with the Tolchester Co., but to no avail. It was suggested that I appoint an honorable and disinterested man, that the Tolchester Co. do the likewise and these two nominees choose a third arbiter to weigh the merits of my and the Tolchester Company's respective claims. I approved heartily of Mr. W. T. Nicholson, the Tolchester Co's. selection, and wrote Mr. Eliason to that effect.

Since then the Tolchester Co. has never met the brunt of this matter but consistently interposed extraneous considerations. The last time any considerable repairing was done to Gale's Wharf the bill rendered by Sanford & Brooks, of Baltimore, was $775. They went completely over the wharf and reclaimed it from almost total collapse. Gale's Wharf is now in fair condition, the top is bad and the front has been weakened by the injudicious docking of the Tolchester Company's boats. Some caps are partially rotted, this can be remedied by splicing with short new timbers. In no instance, but two, are new caps necessary. Few piles are needed, the Tolchester Co. however, insists that it will take from $1,900 to $2,000 to repair Gale's Wharf. I have attempted to get the Tolchester Co. to go over the wharf and under it with me, and let us decide together what is requisite, itemize it, and submit it to bid —but to no avail.

I'll put Gale's Wharf in perfect condition for $800 in fair condition for $400 if the Tolchester Company will pay for it. The Tolchester Company can rent Gale's Wharf for any number of years it elects. The tomato business last year yielded that company $267. The Tolchester Company, under my proposition, would be not only touching Gale's Wharf free of charge, except that expenditure contingent upon keeping the wharf in repair, but it would make money on the tomato business and about $25 on the Bertie E. Tull business as well. The Tolchester Co. has written me that it will discontinue stopping at Gale's Wharf, September 30th.

Patrons of Gale's Wharf will please notice that the Tolchester Company has discontinued service of its own volition. I have given them use of the wharf and a wharf attendant, without contract, since July 1st. I trust the public understands my position and my endeavors to maintain a just attitude toward it, myself, and the Tolchester Co , I am, sirs,

Very gratefully Yours,
LAWRENCE STEELE COSTELLE.

AT HYMEN'S ALTAR.

IVENS—CHOATE.

A very pretty wedding took place at the home of Dr. and Mrs. Benjamin B. Osborne, of 5115 Aspen street, Philadelphia, Pa., Wednesday evening. The contracting parties were Mrs. Minerva O. Choate, and Dr. Wm. H. Ivens, both of Philadelphia, Pa. The bride was handsomely attired and carried a bouquet of bride roses and ferns. Promptly at eight o'clock they entered the parlor, which was tastefully decorated for the occasion with potted plants and a beautiful evergreen arch, to the strains of the wedding march which was rendered by a sister of the bride, where they met Dr. Hanna, of Philadelphia, who united them in holy bonds of matrimony. Mr. Maurice E. Ivens, of Philadelphia, was best man, and Dr. Benj. B. Osborne, of Philadelphia, gave the bride in marriage. A wedding supper was served, after which the bride and groom, accompanied by the groom's brother, Mr. Preston R. Ivens, of Chestertown, Md., left on an automobile tour. They will reside at Coopersburg, Pa., where Dr. Ivens is private veterinarian of the Great Coopersburg Stock Farm.

—Chestertown has a young aviator in the person of Master Joseph Wickes. Master Joseph has recently constructed a miniature flying machine, and he says he will shortly build one that will fly from his home on High street to the wharf. He attended the aviation meet at Asbury Park recently, and having a fine mechanical turn, he has became an enthusiastic airship inventor.

—Numerous friends from the town and county responded to the invitation of the directors of the Kent County Savings Bank to inspect their handsome new home during the week, and all who have seen the interior of the bank are agreed that it is one of the handsomest and best arranged bank buildings as well as most comfortably furnished on the Shore. It is a source of much pride to the directors, and is an ornament to the town. The officers, Cashier Russell, Teller Perkins and Book-keeper Simpers seem to be better looking men since they got in their new quarters, and President M. A. Toulson looks younger than ever.

Order of Publication.

Wilbur W. Hurlock, Katie Hurlock, Margaret Catherine Hurlock, infant; Mary Adelia Hurlock, infant; Louis Harland Hurlock, infant, by their father and next friend, Wilbur W. Hurlock; Wilbur W. Hurlock, executor of Samuel R. Hurlock,
vs.
Oliver C. Denison, Margaret P. Mifflin, James V. Johnson, Edward Eccles and all the unknown heirs of J. Caroline Hurlock.

In the Circuit Court for Kent County, Maryland. No. 1752, In Equity.

The object of this Bill is to procure a Decree of this Honorable Court for the appointment of a Trustee to release a certain mortgage from John S. Hurlock and wife to J. Caroline Hurlock, for the sum of $3,000.00. The bill states :

1. That a certain John S. Hurlock and Henrietta M. Hurlock, his wife, did, on or about the 1st day of May in the year 1874, execute a mortgage upon a certain farm in Kent county, Maryland, containing 203 acres, 2 roods and 3 perches of land, which was duly executed, acknowledged and recorded in Liber D. C. B. No. 1, folios 149, etc., one of the Land Record Books for Kent county, Maryland, to J. Caroline Hurlock to secure the loan of three thousand ($3,000) dollars made to the said John S. Hurlock by the said J. Caroline Hurlock; all of which will appear by reference to the said mortgage, a duly certified copy of which is filed with this Bill of Complaint and prayed to be taken as a part hereof, and marked "Plaintiff's Exhibit No. 1."

2. Your Orators show that subsequently the said farm mentioned in the said mortgage was purchased of William Walter Hurlock, a son of the said John S. Hurlock by Samuel R. Hurlock another son, and a deed therefor was executed to the said Samuel R. Hurlock and the purchase price in full paid by the said Samuel R. Hurlock to the said William Walter Hurlock and at the time of the said sale to the said Samuel R. Hurlock by the said William Walter Hurlock neither the said Samuel R. Hurlock nor William Walter Hurlock knew of the existence of said mortgage of three thousand ($3000) dollars, so as aforesaid executed by their father, John S. Hurlock in his life time to the said J. Caroline Hurlock.

3. And your Orators show that the said John S. Hurlock departed this life on or before the twenty-second day of July, 1879; that his estate was administered upon in the Orphans Court for Kent county, Maryland, and the said mortgage was never filed against his estate and no claim was made thereon for the the said mortgage debt.

4. That the said J. Caroline Hurlock lived in the State of Delaware, and departed this life on or about the month of March in the year 1885, and James M. Vandegrift administered upon her estate in the State of Delaware. and no account was ever taken of the said mortgage indebtedness of three ($3000) dollars, for the reason, that the same was paid in full by the said John S. Hurlock to the said J. Caroline Hurlock in her life time.

5. Your Orators show that the said Samuel R. Hurlock has departed this life, having died in August, in the year 1908, and that letters on his estate were committed unto Wilbur W. Hurlock as will appear by reference to a duly certified copy of the said letters filed herewith, and prayed to be taken a part hereof and marked "Plaintiff's Exhibit No. 2," and the said Samuel R. Hurlock left as his heirs-at-law the said Wilbur W. Hurlock, his only son, and Katie Hurlock, his wife; Margaret Catherine Hurlock, Mary Adelia Hurlock and Louise Harland Hurlock are his grandchilden, all of whom are interested in securing the release of the said mortgage for three thousand ($3,000) dollars.

6. And your orators show unto your honors that they have made diligent inquiry to ascertain whether or not the personal representatives of the said J. Caroline Hurlock are alive, so that they could execute a valid release of the said mortgage since the original mortgage has been lost, and through neglect it was never released on the records, but they learn that James M. Vandegrift, who administered on her estate, is dead.

7. And your orators have made diligent inquiry to ascertain all the heirs-at-law of the said J. Caroline Hurlock, they show she died leaving no children, but she had in her life time two brothers and one sister; and your orators show that the names of the brothers of said J. Caroline Hurlock, whose maiden name was Vandegift, were Francis Jacob Vandegrift and James M. Vandegrift; also a sister whose name cannot be ascertained, but who married a certain Samuel Eccles.

8. Your orators are informed that Francis Jacob Vandegrift is dead, but left no children. That James M. Vandegrift is dead, and left three daughters, Olivia C., who married G. W. Denson, J. Caroline, otherwise called "Lina," who married B. S. Johnson, Margaret P., who married William P. Mifflin. That J. Caroline, otherwise called "Lina" Johnson, is dead and left one son, James V. Johnson. Mrs. Denison is living at Little Rock, Ark.; Mrs. Wm. P. Mifflin resides in the city of Philadelphia, in the State of Pennsylvania. Mrs. Samuel Eccles left one son, Edward Eccles, who your orators are informed died in Dover, Delaware; Edward left one son now living in Australia, and a daughter living in Virginia, near Washington, D. C. And all the other heirs-at-law of the said J. Caroline Hurlock, so far as your orators can ascertain upon due and diligent inquiry, are unknown; and your orators, therefore, ask that all unknown heirs of J. Caroline Hurlock may be made parties to the proceedings by means of an order of publication, in order that the rights of your orators may be conserved and secured.

10. And your orators are informed that it is necessary for them to apply to a Court of Equity in order that a Trustee may be appointed with power to release said mortgage on the records of this court.

11. And your orators show that the said mortgage has long since matured, is out of date, the same is barred by the statute of limitations, that no interest has been paid on same since prior to the death of John S. Hurlock, and they aver that the same was paid during the lifetime of the said J. Caroline Hurlock by the said John S. Hurlock, and that it would be inequitable and unjust to let the same remain on record as an apparent lien against the said property so as aforesaid purchased by the said Samuel R. Hurlock.

12. And your orators show that the said farm has been sold by Hope H. Barroll and Sidney P. Townshend, trustees, duly appointed by this Honorable Court under its decree, but the purchaser, William T. Baxter, declines to pay the entire purchase money until the said mortgage is first released, and since it is right and proper that the same should be released and the apparent, but only apparent defect in the title, caused by the non-satisfaction of the mortgage removed.

13. Wherefore, your orators are advised that it is necessary for them to apply to this Honorable Court and ask that a Trustee shall be appointed for the purpose of executing a release of the said mortgage in order that all the rights and equities of the parties to this proceeding may be secured and protected.

It is thereupon this 17th day of August, 1910, ordered by the Circuit Court of Kent County in equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper, published in said Kent County, once in each of four successive weeks before the 19th day of September, 1910, give notice to the said non-resident defendants, Olivia C. Denison, Margaret P. Mifflin, James V. Johnson, Edward Eccles and all the unknown heirs of J. Caroline Hurlock, warning them to appear in this court by person or by solicitor, on or before the 6th day of October next, to show cause, if any they have, why a decree ought not to be passed as prayed.

WE WISH TO ANNOUNCE TO THE TRADE

That we are adding to our line a line of

Carriages, Surreys
—AND—
RUNABOUTS

We are building a Carriage Emporium on the lot where the photograph gallery has been for a number of years, and have contracted for one of the best lines of Carriages on the market. The invoice for the first carload has been received, and they should reach us in a few days.

If you are going to buy a Buggy or Carriage, be sure to see our line and get our prices before buying, as we think that we will be a position to save you some money.

Yours for Business,
