HANDICAPPED

This is the Case With Many Chestertown People.

Too many Chestertown citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief, but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently.

The following statement should convince every Chestertown reader of their efficiency.

George T. Newson, of Spruce City, Smyrna, Del., says: "I suffered from backache for several years, at times quite severely. I was often so lame and weak that I could hardly walk and there was a constant, dull pain over my kidneys. A few months ago Doan's Kidney Pills were highly recommended to me and I procured a box. Before I had finished the contents, I was free from every symptom of kidney trouble. I have not had the slightest backache since then and I therefore recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
