THIS ADVERTISEMENT PROVES

AND IS INTENDED TO CONVINCE YOU THAT THE

Kent County Land Company

—INCORPORATED—

OF CHESTERTOWN, MD.,

Offers to you the Best Investment Obtainable.

The Kent County Land Company buys and sells property. By reason of its successful handling of Real Estate, it is able to pay 5 per cent. on your funds, intead of 3 or 4 per cent.

Most business men or firms pay 6 per cent. for money needed to conduct their business operations. Therefore, it is in keeping with conservative business principles FOR THE KENT COUNTY LAND COMPANY to 5 per cent.

Since the incorporation of the Kent County Land Company, we have paid five per cent. on notes issued by the company and have the testimony of those who have thus invested, attesting their high appreciation of the investment we have afforded them.

The safety and soundness of any corporation is measured entirely by the integrity of its board of directors and their business ability.

The directors of this company have in their various business relations proven their honesty and business foresight.

From the beginning, the management has been guided by no selfish and personal motive, but rather to establish the business upon a sure foundation, and to protect the interests of its stockholders and those otherwise interested. In consequence of this policy, the KENT COUNTY LAND COMPANY AT THE END OF THE FIRST YEAR PAID ITS PREFERRED STOCKHOLDERS 6 PER CENT. and its holders of COMMON STOCK 5 PER CENT. This result has scarcely been equaled by any bank or other corporation in this county.

We offer $10,000 (TEN THOUSAND DOLLARS) in 5 per cent. notes (annual) in sums between $400 and $1000, payable at expiration of 6 months from date of issue. In investing in these notes you acquire an investment surpassing most bank deposits by 2 per cent., and AN INVESTMENT backed up by a corporation with an unimpeachable record and with assets of over $31,000.

This proposition must appeal to you BECAUSE it offers a profitable investment going hand in hand with a SAFE investment.

It is desirable because your money is available at the end of 6 months.

You buy standard muslin from the merchant who sells it at one cent less than the other merchant. This is your duty. Your success depends upon your wisdom in taking advantage of PROFITABLE OPPORTUNITIES.

Any one desiring a SAFE investment must in justice to himself consider this, and CONSIDER IT NOW.

A postponement of even a month means LOSS TO YOU. The company's officers are bonded. It makes regular reports to the State of Maryland. AND IT PAYS 5 PER CENT. AND THIS INTERESTS YOU

No one can or will refuse this opportunity except through their own stupidity, predjudice or timidity.

KENT COUNTY LAND COMPANY
