AMÉLIE RIVES

Now the Princess Troubetskoy

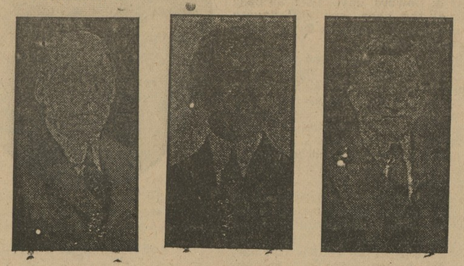

has written a new novel for Lippincott's Magazine which bids fair to overtop the reputation of her first great work, "The Quick or the Dead." As in her first story, the scene is laid in Virginia, her beloved Southland. The plot is one of the most remarkable and absorbing that has ever appeared between covers. Don't wait to get the October number of Lippincott's in which Amélie Rives' great story appears. The number containing "The Quick or the Dead" was sold out in a flash. There will be an even bigger demand for her new story.

FREE Three good numbers—October (containing the new Amélie Rives' story) and the November and December issues with each yearly subscription to begin with the January, 1912 number. Send $2.50 to-day and get fifteen numbers for the price of twelve.

Note. After January 1 Lippincott's Magazine subscription price to ced to $3.00 a year.

ATHLETIC CANDIDATES

For Governor — GORMAN—The Baseball Player.

For State Comptroller. — HARRINGTON—The leader in general sports at St. John's College.

For Attorney General. — POE—One of the famous "Pigskin" Poe Brothers, who added lustre to Princeton University in its football matches.

All finished manly products of enthusiastic, athletic boys.

Don't it make you laugh to hear the Republicans talk about the Wilson Ballot Law, when they will run Bob Tail Tickets in very many of the Counties, with the hope of saving their State Candidates—Goldsborough, Cunningham and Soper? But they are doomed to defeat.

"I desire to state most emphatically that by me the declarations in our State Platform, receiving as they did the sanction and approval of every branch of our party, are regarded highly and will not be slightly passed over or set aside, but will be lived up to and carried out to the fullest extent in both letter and spirit, and this belief is I know earnestly shared by both my colleagues on the State ticket."—Edgar Allan Poe, Democratic Candidate for Attorney General.

PROCLAMATION

Publication of Proposed Constitutional Amendments.

Whereas, At the January Session of the General Assembly of Maryland, held in the year of our Lord, Nineteen Hundred and Ten, three Acts were passed, one proposing an Amendement to Article 1 of the Constitution, by adding thereto a Section to be known as Section 8; one proposing an Amendment to Section 2 of Article 3 of said Constitution, and one proposing an Amendmen to Section 4 of Article 3 of said Constitution, said Acts being respectively Chapters 253, 303 and 318 of the Acts of the General Assembly of Maryland of 1910, and which are in the words following, to wit:

CHAPTER 253.

An Act to propose an Amendment to Article 1 of the Constitution of this State by adding thereto a new Section, to be known as Section 8, to follow Section 7 and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all members of each of the two houses concurring), that the following section be and the same is hereby proposed as an amendment to Article 1 of the Constitution of this State, which said section, if adopted by the qualified voters of this State, shall stand as an additional section to said Article 1, to be known as Section 8, to follow Section 7, of said Article.

Section 8. All State and municipal elections shall be conducted by the system commonly known as the Australian Ballot System, and it shall be the duty of the General Assembly to provide by law for a form of ballot, uniform throughout the State, for use at all State elections in this State, and provide that on said ballot after the name of each candidate thereon who may have been duly nominated as the candidate of any political party or organization, there shall be printed the legal name of said party or organization; equal representation of the minority party among the judges and clerks of election registers or other officers performing similar functions shall not be abolished by the General Assembly unless by a vote of four-fifths of all the members of each house.

The right to be registered as a qualified voter and the right to vote at any State or municipal election in this State shall be limited to the following persons:

First: Every male white citizen not disqualified by the Second or Third Sections of this Article, possessing the qualifications as to age and residence mentioned in Section 1 of this Article.

Second: Every other male citizen not disqualified by the Second or Third Sections of this Article possessing the qualifications as to age and residence mentioned in Section 1 of this Article, who at the time of his application for registration is the bona fide owner of real or personal property, or both, in an amount of not less than five hundred dollars, is assessed therefor on the tax books of the City of Baltimore or of one of the Counties of this State, has been such owner and so assessed for two years next preceding his application for registration, shall have paid and shall produce receipts for the taxes on said property for said two years, and shall at the time of his application make affidavit before the officers of registration that he is the bona fide owner of the property so assessed to him and that he has been such owner for two years next preceding his application.

If any person other than those herein mentioned shall be or become legally entitled to be registered as voters at State Elections in this State, then this section shall be null and void and the General Assembly shall possess the same powers as if this section had never been adopted, and the laws of this State, including the local laws applicable to certain counties thereof, relating to the form of ballot to be used at elections, in force on the first day of July in the year nineteen hundred and ten, shall revive or continue in force until altered by the General Assembly notwithstanding any Acts to the contrary which may have been passed while the terms of this section shall have been in force or while the General Assembly shall have believed or assumed the provisions of this section to be valid.

Section 2. And be it further enacted, by the authority aforesaid, that the aforesaid section hereby proposed as an Amendment to the Constitution shall be at the next General Election held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State, and at said General Election the vote on the said proposed Amendment to the Constitution shall be by ballot, and upon each ballot shall be printed the words, "For Constitutional Amendment" and "Against Constitutional Amendment," as now provided by law, and immediately after said election due return shall be made to the Governor of the vote for and against said proposed Amendment, as directed by said Fourteenth Article of the Constitution.

Approved Apr. 11, 1910.

AUSTIN L. CROTHERS,
(Great Seal) Governor.
A. P. GORMAN, Jr.,
President of the Senate.
ADAM PEEPLES,
Speaker of the House of Delegates.

CHAPTER 303.

An Act to amend Section 2 of Article 3, title, "Legislative Department," of the Constitution of this State and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following section be and the same is hereby proposed as an Amendment to Section 2 of Article 3, title, "Legislative Department," of the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, said section shall supersede and stand in the place and instead of Section 2 of Article 3 of the Constitution of Maryland.

2. The City of Baltimore shall be divided into four Legislative Districts as near as may be of equal population and of contiguous territory, and each of said Legislative Districts of Baltimore City, as they may from time to time be laid out, in accordance with the provisions hereof, and each county of the State, shall be entitled to one Senator who shall be elected by the qualified voters of said Legislative Districts of Baltimore City, and of the counties of the State, respectively, and Baltimore City shall be entitled to two additional Senators, who shall be elected at large, by the qualified voters of the said City, and all of said Senators shall serve for four years from the date of their election, subject to the classification of Senators hereinafter provided for.

Section 2. And be it further enacted by the authority aforesaid, that the said foregoing section hereby proposed as an Amendment to the Constitution, shall at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and eleven (1911), be submitted to the legal and qualified voters thereof for their adoption or rejection in pursuance of the directions contained in Article 14 of the Constitution of this State; and at said election the vote on said proposed Amendment to the Constitution shall be by ballot and upon each ballot there shall be written or printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election, due returns shall be made to the Governor of the vote for and against said proposed Amendment, as directed by the said Article 14 of the Constitution.

Approved Apr. 7, 1910.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two houses concurring, that the following section be and the same is hereby proposed as an Amendment to Section 4 of Article 3, title "Legislative Department," of the Constitution of this State, and if adopted by the legal qualified voters thereof as herein provided, said section shall supersed and stand in the place instead of Section 4 of said Article 3 of the Constitution of Maryland.

4. As soon as may be after the taking and publishing of the National Census of nineteen hundred and ten, or after the enumeration of the population of this State under the authority thereof, there shall be an apportionment of representation in the House of Delegates, to be made on the following basis, to wit:

Each of the several counties of the State having a population of eighteen thousand souls or less, shall be entitled to two Delegates; and every county having a population of over eighteen thousand and less than twenty-eight thousand souls, shall be entitled to three Delegates; and every county having a population of twenty-eight thousand and less than forty thousand souls, shall be entitled to four Delegates; and every county having a population of forty thousand and less than fifty-five thousand souls, shall be entitled to five Delegates; and every county having a population of fifty-five thousand souls and upwards, shall be entitled to six Delegates and no more; and each of the four Legislative Districts of the City of Baltimore shall be entitled to one delegate for each one-sixth of the population of the largest county in the State; provided, however, that the representation of Baltimore City in the House of Delegates shall never exceed one-third of the membership of the House of Delegates, and, provided also, that the representation of Baltimore City in the House of Delegates shall never be less than thirty-five in number of the membership of said House of Delegates; and the General Assembly shall have the power to provide by law, from time to time, for altering and changing the boundaries of the existing legislative districts of the City of Baltimore, so as to make them as near as may be of equal population but said districts shall always consist of contiguous territory.

Section 2. And be it further enacted by the authority aforesaid, that the said foregoing section hereby proposed as an Amendment to the Constitution, shall at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and eleven (1911), be submitted to the legal and qualified voters thereof, for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State; and at the said election the vote on the said proposed Amendment to the Constitution shall be by ballot, and upon each ballot shall be written or printed the words, "For the Constitutional Amendment" and "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election, due returns shall be made to the Governor of the vote for and against said proposed Amendment, as directed by the the said Article 14 of the said Constitution.
