A Generous Donation.

Mr. Adkinson, superintendent of state road construction in this county, and in charge of the construction of the new road in Chestertown, has very generously donated a cement tennis court to the Ladies Town Improvement association as a part of the many amusements and attractions which will be placed in the playgrounds when completed for the enjoyment and pleasure of the children and young folks of the town. Mr. Adkinson was to have commenced work on the court on Wednesday but rain interfered. This is a most generous act, and we are quite sure that the young folks as well as the ladies association greatly appreciate Mr. Adkinson's generosity. The Ladies Improvement Association are to be congratulated upon the efforts it is making to provide the young people of the town with healthful amusements, and they should be encouraged by the co-operation of the citizens of the town.

THE REGAL SHOE

A BIG SUCCESS!

A REPRESENTATIVE citizen of Chestertown walked in Bordley & Son's store yesterday and asked to see some Regal Shoes. After getting fitted in a pair, he casually remarked that the old pair he had just taken off was a Regal Shoe, and that he had been wearing them for nearly three years. This was such a remarkable showing that we asked his consent to advertise his statement. We don't claim that every pair of Regal Shoes will last for three years, but we do claim that the Regal Line of Shoes is the best and handsomest ever shown in Chestertown.

Look at This!

If you take advantage of the 5 per cent. investment offered by the Kent County Land Company, you gain or make $20 a thousand over and above a 3 per cent. investment.

$20 will buy you a plow, a suit of clothes, a cook stove, etc.

It only costs a one cent postal to find out how to realize $20.

"Please accept my thanks for check, interest at 5 per cent. per annum on $1000 note I hold of your company." Letters like these speak for themselves.
