FAIRLEE, MARYLAND.

ON THE GO, TO AND FRO.

Cards have been issued by Mr. and Mrs. S. W. Crawford, of Woolford, to the marriage of their daughter, Lillie Crawford to Mr. Harry H. Howard, of Chesapeake City, on Wednesday afternoon, November 15th, next, at 1 o'clock, at their home "Liberty Hall" at Woolford. Mr. Howard is very well known in this county.

Prof. Thomas H. Topping will leave for Sabillasville next Wednesday where he will receive special treatment. We sincerely hope that he will soon be fully restored to health and able to return home.

Hon. and Mrs. Joseph A. Wickes are preparing to close their town house and return to Baltimore for the winter.

Real Estate Broker J. Waters Russell, who has been suffering with a dislocated knee, is sufficiently improved as to be able to be out. Mr. Russell will leave in a few weeks for an extended Western trip.

Mrs. George E. Lambert has been quite sick in her apartments at the college during the week, but is improved at this writing, we are glad to state.

Mr. James H. Brice, of Baltimore, has been the guest of his parents, Mr. and Mrs. James Brice, several days this week.

We are glad to report that Mr. Sam'l G. Caldwell, whose gun shot accident we noted in our last issue, is doing well, and no complications are feared.

Mr. James Robinson, who was accidentally shot by his son on "North Key" farm in Broad Neck last week, is doing very well. The load entered Mr. Robinson's back, and had it entered in a direct line, it would have severed the spinal column and ceused his death. His physician, Dr. H. Benge Simmons, reports that Mr. Robinson is improving. He will tenant Mrs. Wm. Godwin's Hill Top farm near Fairlee, next year.

Mr. A. R. Crew, of Wilmington, Del., was the guest of Master Charles Hodgkin over Sunday.

Mr. Thomas W. Eliason, Jr., has entered his father's office to learn the details of the lumber business, Mr. Wilbur Eliason having resigned the position of secretary held by him for some years. It is reported that Mr. Wilbur Eliason will go to Baltimore to engage in business.

Miss M. Nealie Wilson has been visiting Miss Rhetta B. Warfield, at her home, Edgewater.

Driving Smut From Wheat.

If something is not done to remedy the "smut" or "bunt" in wheat in this community farmers will in time suffer a total loss. Seed treatment with formalin is the only reliable remedy so far discovered. The Delaware College Experiment Station submits this suggestion: "Spread the seed on a clean floor or canvas and sprinkle with a solution of one pound (pint) of formalin to fifty gallons of water until thoroughly moist, but not wet enough to drip. Stir the seed repeatedly to distribute the moisture evenly, then shovel into a pile and cover with sacks or canvas for two hours. Sacks, drills or other receptacles should be disinfected with the same solution before filling with treated seed. One pound (pint) formalin when made up with water will treat 40 to 50 bushels of wheat. Formalin costs 50 cents to 75 cents per pound." Farmers should appreciate the importance of using this remedy.

State C. E. Convention.

Eighty-five delegates attended the State Convention of the Christian Endeavor Union held in West Nottingham Presbyterian Church, Cecil county, last week. The capacity of the church was taxed by the attendance at the several daily sessions. The program arranged was very interesting, comprising able addresses, fine music and gratifying reports of work accomplished during the year. The delegates were hospitably entertained at homes of residents of the surrounding neighborhood, and were greatly pleased with its picturesque features as seen by daylight and moonlight. Rev. Edgar T. Reed, of Baltimore, was chosen President; W. M. Robinson, Baltimore, Secretary; George Mather, Westminster, Treasurer; Mrs. C. W. France, Baltimore, Junior Superintendent. Directors and department superintendents were also chosen. After the installation of officers on Thursday, the convention adjourned.
