HOWARD AND LEXINGTON

The Popular Polo Coats At a Popular Price— $15.00

The price would not be possible, were it not for our large purchasing power and our equally great outlet—ordinarily these polo coats would sell at considerably higher figures.

They are made of the soft, warm, woolly double-faced fabrics—the color combinations include gray-and-lavender, gray-and-blue, brown-and-blue, brown-and-tan, brown-and-green and various mixtures. The collar, cuffs, revers and pocket facings are of the contrasting color, giving these coats a decidedly smart and stylish air. All are cut full length, and made on a roomy, loose-fitting model, with or without belt at waistline.

The woman who wants a comfortable, warm winter coat, with more than the usual amount of style and dash to it, will surely want one of these polo coats.

High-Class Tailored Suits For Women and Misses— $25.00

Of gray and brown mixtures, serges, broadcloths and cheviots. The coats are 28 inches long, semi-fitted and single-breasted. Some are plain-tailored, while others have velvet collar and revers, and are trimmed with braid and buttons. Still another model is of serge, and the collar, front of coat and cuffs are elaborately braided. Skirts are plain gored with loose panel, or have pleats at foot. They range from perfectly plain models to those that are trimmed with braid or buttons to match coat.
