Now You Can Buy 10-Acre Tracts

within walking distance of Chestertown, and it is the experience that such tracts near other towns have advanced wonderfully.

TEN ACRES is about 418 feet by 1045 feet, a good size piece of land, just right for TRUCKING, POULTRY AND FRUIT.

These tracts are on stone State road adjoining the lands of Mr. J.T. Anthony.

Being in walking distance of Washington College and Chestertown High School, they are doubly desirable.

One can erect a dwelling at $1,500 and his property would stand him a round $3,500.

You Don't Have to Buy 150 Acres & Tie Up $8,000 to $10,000

and "live out of the world," and have trouble with farm labor; with a tax of 90 cents and a road that is always good, these tracts will always be in demand.

I Predict these Tracts Will Bring $150 Per Acre In Two Years

This is not an idle assertion. The prices on these lots run from $110 to $150 per acre. One lot has been sold while writing this advertisement. For further information, call or write.

Which is Better—Try an Experiment or Profit by a Chestertown Citizen's Experience.

Something new is an experiment.
Must be proved to be as represented.
The statement of a manufacturer is not convincing proof of merit.
But the endorsement of friends is.
Now supposing you had a bad back,
A Lame, Weak or Aching one,
Would you experiment on it?
You will read of many so-called cures.
Endorsed by strangers from far-away places.
It's different when the endorsement comes from home.
Easy to prove local testimony.
Home endorsement is the proof that backs every box of Doan's Kidney Pills.
Read this case:

H. B. Nicholson, Mill St., Chestertown, Md., says: "I feel much better since I used Doan's Kidney Pills and I have no hesitation in recommending them. I had pains in my left side and my kidneys were out of order. I obtained a supply of Doan's Kidney Pills at Toulson's Drug Store and it did not take them long to rid me of the difficulties."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Ate Poison Pills and Died.—Coroner Chandler, of Wilmington, has been informed that Samuel Tibbitt, a child aged two years and one month, ate eight strychnine pills, each one-sixtieth of a grain, that were left by a doctor at the home of his parents, near Golt's, several days ago, and died in 20 minutes. The father, Andrew Tibbitt, a farm worker, lives in Delaware, about one mile from Golt's, Md. He had been afflicted with typhoid fever for some time. When his physician went to treat him one day last week he left the strychnine pills for the patient on a table in the sick man's room. The child thought they were candy and ate them all. He died before a doctor could reach him.
