AN UNUSUAL OPPORTUNITY

TO ACQUIRE

A Home or Investment

which far surpasses many foreign investments that are pictured as "Vision of Gold," but which have nothing intrinsic about them.

Now You Can Buy 10-Acre Tracts

within walking distance of Chestertown, and it is the experience that such tracts near other towns have advanced wonderfully.

TEN ACRES is about 418 feet by 1045 feet, a good size piece of land, just right for TRUCKING, POULTRY AND FRUIT.

These tracts are on stone State road adjoining the lands of Mr. J.T. Anthony.

Being in walking distance of Washington College and Chestertown High School, they are doubly desirable.

One can erect a dwelling at $1,500 and his property would stand him a round $3,500.

You Don't Have to Buy 150 Acres & Tie Up $8,000 to $10,000

and "live out of the world," and have trouble with farm labor; with a tax of 90 cents and a road that is always good, these tracts will always be in demand.

I Predict these Tracts Will Bring $150 Per Acre In Two Years

This is not an idle assertion. The prices on these lots run from $110 to $150 per acre. One lot has been sold while writing this advertisement. For further information, call or write.

CHRISTMAS IS COMING.

The Christmas time is drawing near—
It seems the cry of all—
And all the little folks are wondering
If Old Chris will surely call.

They have waited long for that great day,
And now it is near at hand,
And Old Chris has already started out
To visit our happy land.

He has already made one trip to town;
I guess you have heard it before;
That he just left loads and loads of things
Down to A. W. Carmine's store.

Yes, he came around the other day,
Just rattling up the pike,
His train loaded down with pretty things.
You never saw the like.

He brought rich gifts for all the young,
No matter large or small,
And the older ones are not forgotten.
He can surely please you all.

Make an early visit to his store.
It will fill your heart with bliss;
Now is the time to leave your orders
And have them delivered by Chris. C. P.

SPECIAL NOTICE TO THE LADIES!

Our large purchases of LADIES' SUITS for this season are now completed and the final lots have arrived, and are ready for selling. These SUITS are just what you are looking for. Our strong argument is that you get them just a *"little cheaper"* than elsewhere. These specials should sell at sight.

Prettiest Wash Fabrics Here.

We say prettiest, for surely there never were any prettier Wash Fabrics than these we are showing. Organdies, Dimities, Batistes, Lawns, French Ginghams, Voiles crowd each other for room, and when you consider that the prices are so very low the goods become very tempting.

EMBROIDERIES.

There are All-Overs, Edgings and Insertings—baby widths, medium widths and flounce widths. Patterns from a fraction of an inch to a half a yard, with unusually liberal margins. The designs are beautiful, artistic and diversified. Neat exquisite effects for baby cloths and women's lingerie, dainty styles for trimming waists and showy elaborate combinations for flounces and ruffles.
