DIRTY EGGS ON THE FARM.

Have Caused a Loss of About $5,000,000 Annually.

While there are a few egg producers who take the best of care of their product, the average farmer considers the eggs produced on the farm a by-product and makes very little provision for their care, aside from gathering them. A large loss is caused by dirty eggs the number being enormous and according to the estimate of Secretary Wilson of the Department of Agriculture this money loss to the farmers in the United States amounts to about $5,000,000 annually.

This loss is very largely brought about by not gathering the eggs often enough. In wet weather more dirty eggs are found than at any other time. This is caused by the fact that the hen's feet are often covered with mud or filth and in going on the nest to lay she soils the eggs already in the nest.

An insufficient number of nests is often the cause of many of the dirty eggs found. Eggs are laid on the ground and around the hay and straw stacks and becoming stained are classed as "dirties." Again when too many eggs are allowed to remain in a nest some are broken and many of the others smeared with broken yolks. This condition is often brought about by allowing the broody hens to use the same nests with the layers. On a farm where one nest to every four hens is provided and the nests are kept clean and well bedded it is found that very few dirty eggs are produced.

After gathering the eggs care should be taken not to put them where they will become heated or near oil, onions or other vegetables as they readily absorb odors.

Although dirty eggs may be perfectly fresh they invariably sell as "seconds" and when but a few dirty eggs are mixed with an otherwise clean lot they materially decrease the price of the clean eggs.

Men and Religion in Maryland

The new force in the religious world to-day known as the Men and Religion Forward Movement is challenging the attention of the thinking men of the country in a way that it has never been attracted before. The Movement is Nation wide in its operation, and is destined to awaken the public conscience in a rather startling way. The purpose is to get the men of the church aroused to a realization of the responsibility they have to their fellowmen and to the communities in which they live. It is to engender a real masculine element in the Christianity of the present day.

Already the Movement is working in this State and the Central Committee of One Hundred in Baltimore are getting that city thoroughly organized for the most active religious work campaign it has ever known. From that point the whole State will be organized. The program so far extends to Cumberland, Hagerstown, Frederick, Westminster, Annapolis, Chestertown, Centreville, Easton, Cambridge, Salisbury, Pocomoke City, Crisfield. In these places auxiliary committees are being organized to reproduce the same extensive campaign that will be conducted in the largest cities in this country.

The preliminary plans which are now being made are to culminate in a big Eight Day Campaign in Baltimore which will be conducted by experts from different parts of the city and which will extend from January 28th to February 5th. At the close of the Special Campaign, men from Baltimore will visit the other places in the State and conduct a similar campaign for each of them.

This Movement is not confined to any particular locality for having its basis of operation in the local church it is adaptable anywhere. It is expected that 3,000,000 men will be brought into the church as a result of the movement.

Celebrate Tenth Anniversary.

Mr. and Mrs. Edgar R. Pennington, of near Kennedyville, celebrated their tenth marriage anniversary on Friday last by a family dinner. Two long tables arranged in the spacious dining room fairly groaned under all the delicious luxuries of the season. A fine turkey of seventeen pounds weight graced each table with all its accompaniments. The menu and cuisine were par excellence in every particular, ending with cream and cake. Those present were: Mr. and Mrs. W. T. Jones, Mr. and Mrs. R. H. Kennedy, Mr. and Mrs. W. M. Clendaniel, Mr. and Mrs. George Sutton, Mr. and Mrs. William T. Baxter and Miss Helen Baxter, Rev. and Mrs. F. H. Mullineaux, Mrs. W. D. Pennington, E. B. Pennington, Misses Louise Pennington, Elizabeth Sutton, Messrs. E. B. Pennington, Jr., N. E. Pennington, Robert Kennedy, Marion Sutton, Richard Sutton and Thomas Kelley. At the ending of the splendid and most enjoyable feast of good things, while the company was yet seated around the tables, Mr. Mullineaux arose and in chosen words, in behalf of all present, congratulated the happy couple and their manly little boy, Norman, on the most delightful occasion, wishing for them very many more joyful anniversaries for the future, and ardently praying all earthly good and the rich grace of heaven daily to descend upon them. All present expressed themselves as having a most delightful time.

Pleasing Entertainment.

The tenth grade of the Chestertown High School gave a very enjoyable entertainment in the assembly hall of the High School, followed by a festival on Tuesday evening. The entertainment was in the nature of a farce in one act, entitled, "That Rascal Pat." The following was the programme:
