FOLEY'S HONEY AND TAR
Cures Colds: Prevents Pneumonia

You Look Yellow

The trouble is, your liver's sick. One of its products, "bile," is overflowing into your blood.

You can't digest your food, your appetite is poor, you suffer dreadfully from headache, stomach ache, dizziness, malaria, constipation, etc. What you need is not a dose of salts, cathartic water or pills—but a liver tonic

Thedford's Black-Draught

This great medicine acts gently on the sick liver. It purifies the blood, renews the appetite, feeds the nerves, clears the brain and cures constipation.

It is a true medicine for sick liver and kidneys, and regulates all the digestive functions. Try it.

At all dealers in medicines in 25c packages.

HENRY H. BRADY.

Death Of A Banker And Business Man Of Chesapeake City.

Henry H. Brady, for many years vice-president of the National Bank of Elkton, a prominent and wealthy resident of Cecil county, died last week at his home in Chesapeake City, aged 75 years. Mr. Brady, while he had been in poor health for months past, was able to attend to business, and on Tuesday last was present at a meeting of the directors of the National bank of Elkton.

He was born in Newcastle county, Delaware, January 24, 1831. He received his early education at the New London (Chester county, Pennsylvania) Academy, and for a time afterwood taught school. He then engaged in merchandising at St. George's, Del., and successfully conducted the same until 1857, when he removed to Chesapeake City, and with his three brothers engaged in the towing of vessels through the Chesapeake and Delaware canal. He was a life long Democrat of the old school, but the only office held by him was County Commissioner.

Mr. Brady was for years a director of the National Bank of Elkton, and until this year was its vice-president, having served in that capacity with the late Jacob Tome as president. He was prominently connected with the Presbyterian Church of his town. He is survived by a widow and three children, Mrs. Carrie G. McCullough, wife of Senator Henry M. McCullough, of Elkton; Mrs. Lucy Cooper Cook, of Trenton, N. J., and H. H. Brady, Jr., of Scranton, Pa.

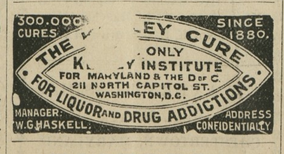

CONVICT WINS $25,000 PRIZE.

Guessed Attendance at St. Louis Fair and Gave Lawyer Half to Get It.

The winner of the $25,000 prize for correctly naming the attendance at the St. Louis exposition in 1904 was Frank Campbell, a convict in the Nebraska State penitentiary, who still has about one year to serve. Campbell was convicted of embezzlement. He will receive only $12,500 of the prize, as he, fearing that difficulty in securing the money would arise while he was imprisoned, agreed to pay a lawyer half of the prize in case of success in securing it. Campbell's attorney had a conference with him at the penitentiary in regard to the disposition of the money, which will be received in a few days. The convict will be unable to use the money until his sentence has expired.

A Big Poultny Farm.

Isaac Wilbur, of Little Compton, R. I., is said to have the largest poultry farm in the world. He ships 130,000 to 150,000 dozens of eggs a year. He keeps his fowls on the colony plan, housing about 49 in a house 8 by 10 or 8 by 12 feet in size, these houses being 150 feet apart, set out in long rows over the gently sloping fields. He has 100 of these houses scattered over three or four fields. The food is loaded into a low wagon, which is driven about to each house in turn, the attendant feeding as he goes; at the afternoon feeding the eggs are collected. The fowls are fed twice a day. The morning food is a mash of cooked vegetables and mixed meals; this mash is made up the afternoon of the day before. The afternoon feed is whole corn the year round —*Country Gentleman.*

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
