The Shapes Are Such

That Most Any Man Can

Be Perfectly Fitted Here

as the Lord made some men slimmer than they really ought to be, or taller, or shorter, or stouter, or both slimmer and taller, slimmer and shorter, stouter and taller, or shorter and stouter. Nevertheless the man who's built in an unusual sort of way doesn't feel like accepting his proportions as an excuse for ill-fitting garments.

Come In And Let Us Show

You How We Can Fit You

and the cost will be an agreeable surprise for our large output enables us to submit prices materially under smaller dealers. EVERY PIECE OF MERCHANDISE IN OUR ESTABLISHMENT IS MARKED IN PLAIN FIGURES, which makes trading here very satisfactory and an assurance of no partiality. Come look the line over while the assortment is complete.

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

SUNDAY TRAINS.

New Service Inaugurated on Delaware Railroad and was Well Patronized—Attracted Considerable Comment In Chestertown.

For the first time in its history regularly scheduled Sunday trains were run over the Delaware railroad and were well patronized. A great many people traveled to see relatives being denied this privilege during the week because of Constant work.

It is reported that more than $70 was taken in at the Chestertown depot and that the indications are for increased travel. The Sunday train attracted considerable attention and comment in town and along the road. It seemed as if Engineer Reed blew that whistle louder than ever on Sunday. It is understood that the Sunday trains were put on as an experiment but if the business done Sunday continues there will be no doubt about them being continued.

On the first train leaving Wilmington there were 35 passengers from Phiadelphia and 100 more got on there. Of the 100 from there about half had tickets for canal bridge and many of them were going fishing.

MILLINGTON ITEMS.

Dr. B. Wallace Green, of Hollensburg, Pa., spent part of the day with friends in town. Mr. Green returned to his home accompanied by his mother who has been visiting here in town for the past three weeks.

Mr. Wm. Gillespie, of Sudlersville, spent Sunday with his son, Mr. J. R. Gillespie.

The Wilmington Athletic Club of Wilmington, Del., played 2 games of base ball here Wednesday afternoon. Both games were hotly contested and well played. The W. A. C. won the first game 7 to 5 and Millington took the second by the same score 7 to 5. Jimmy Breman the south paw of Wilmington had the Millington sluggers guessing during the first game. This afternoon the boys play the W. C. reserve team at Chestertown.

Quite a number of people were out Sunday to see the first Sunday trains go through. A number of persons took advantage of the accommodation.

Washington Camp No. 42 P. O. S. of A. met at their hall room Wednesday afternoon and marched in a body to the cemetery and decorated the graves of the old soldiers.

Rev. Edwin Gardiner made a short and very appropriate address to the members after the decoration of the graves. Rev. E. C. Redecker, state president of Md., met with the camp last Tuesday evening and gave the boys a splendid heart to heart talk.

A number of our citizens met last week and formed what will be known as the Millington Volunteer Fire Co. Mr. J. P. Ahern was elected chief; F. F. Phillips, 1st asst.; J. R. Wilson, 2nd asst.; R. E. Pinder, chief engineerman; H. Curlett, asst.; R. E. Porter, chief nozzleman; Thos. Philipps and Eldridge Wilson chief lineman; E. Comeford and Geo. Davis, chief roofmen; W. F. Collins, chief pumpman; Mr. B. M. Hazel, president; F. L. Smith, vice president; Jas. Mallalieu, secretary and treasurer. This is a wise move on the part of our townsmen as we never know what time another fire will break out. The company will practice with the new engine and will soon make an able company of fire fighters.

Don't Forget the grand concert to be held in the M. E. church next Thursday evening June 7th. This will be a rare treat for our people.

Taken to Mount Hope Retreat.—Ex-Register of Wills, Mr. Finley Roberts, of Centreville, is at Mt. Hope Retreat by the advice of his physician, Dr. Foster Sudler, to be treated for nervous prostration. It is the opinion of Dr. Foster Sudler and also Dr. J. M. Corkran, who was called in as consulting physician, that Mr. Roberts needs rest and a quiet retreat, which they thought could be found at Mt. Hope. He was accompanied by Dr. Foster Sudler, his wife Mrs. Azra Roberts, Miss Emma Price, Mrs. Roberts, sister, and his son, Mr. Lemuel Roberts. His speedy recovery is anticipated.

Prepare for the Fair.—This is the time to begin making preparations for this year's Fair. In past years many persons have said, "I would have prepared an exhibit but I did not think that I could get it ready in time." To avoid this recurrence, the News would remind its readers that now is the time to begin preparations for their exhibits. We hope that all will bear this in mind and make an exhibit, no matter how small. Make the Kent, Queen Anne's and Cecil Fair a big success.

Prize Winners.—Cecil countians captured all the prizes offered by the Middletown Farm for the year ending March 31. For the most pounds of butter fat delivered, a bull calf valued at $50, was awarded to John Piser, of Warwick, who delivered 5,260 pounds during the year; for the most pounds in proportion to the mature cattle kept, a bull calf valued at $25, was awarded to Wm. H. Alderson, of Cecilton, who delivered 194 pounds for each head; and for the most pounds in proportion to acreage, a bull calf valued at $25 was awarded to W. G. Jones, of Cecilton, who delivered 13 pounds for each acre in the farm on which he lives.

Insurance.—The local fire insurance agencies received notice the first of last week that on and after May 25th (Friday) the rates would be advanced on a large number of risks in this territory, the increase amounting to from 10 to 25 per cent. The increase takes effect on all new policies and renewals.

Decoration Day was observed in Chestertown by a parade and decoration of graves by Charles Summer Post. The colored folks made a creditable showing and observed the day in a becoming manner.
