How Bad Backs Have Been Made Strong—Kidney Pills Corrected.

All over Chestertown you hear it. Doan's Kidney Pills are keeping up the good work. Chestertown people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful scanty and of color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Chestertown citizen's advice and give Doan's a chance to do the same for you.

Mrs. I. M. Blyman, High St., Chestertown, Md., says: "We have found excellent results from the use of Doan's Kidney Pills and I can recommend them highly. A member of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally obtained from Toulson's Drug Store and their use gave complete relief."

For sale by all dealers. Price 50 cents. Foster-Millburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

BETTER than SPANKING

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 2523, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid Absolutely Free to any reader of The Transcript. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House—write to them to-day for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.

Birthday Surprise Party.

A big surprise party was given Mrs. Wm. H. Bonwill on Saturday evening to celebrate her 40th birthday. Mr. Bonwill was also greatly surprised but did not celebrate it. The crowd gathered at the gate and went to the house "en masse," finding Mr. and Mrs. Bidle Hossinger "holding the fort."

There were songs, speeches and readings then we enjoyed a delectable menu for which prizes were awarded: Mrs. John Bennett, "honor" prize, box of snuff; Mrs. A. L. Harris, second prize, ball of yarn; Messrs. Wm. Medders and A. L. Harris tied for first gentleman's prize, so the former received "an article to use in restraining the youthful activities of his children"; Mr. Wm. Ford, consolation prize, stick of candy.

Who can average the money value of laughter? So the prizes were worth a bit to us all. The following were present: Messrs. and Mesdames Eugene Bonwill, Roy Bonwill, S. J. Roseberry, John Bennett, Carson Harris, Charles Walter, William Ford, Wm. Medders, John Parrott, Mrs. James Weer, Mr. Hartley Weer, Mr. Harris Crew, Misses Emma Meeks, Elizabeth Pennington, Jessie Crew, Edna Wroth, Mrs. Lulu Dukes and Mrs. Kate Crew.

After the delectable menu and prizes had been awarded we drew our partners and found a menu which was perfect as a whole, and we made a hole in it. The crowd presented Mrs. Bonwill with a beautiful table cloth and napkins. We wished her many happy returns of the same day, as she said she was not going to have any more birthdays, and then took our muddy way home over roads of soup.

An Enjoyable Entertainment.

The entertainment given in Firemen's Hall on Tuesday evening by the Sunday school classes of Mrs. Stewart Matthews and Miss Mayme Thompson was well attended and much enjoyed. The music, drills and recitations were splendid, while the comedy in two acts, "Our Church Fair," was well rendered. Miss Thompson and Mrs. Matthews deserve much credit for their loyal efforts in behalf of their church interests, and the classes are to be congratulated upon their cheerful willingness to assist their teachers in their good work. Put the Load Where It Belongs. If you are to make the most of your time and opportunities, you must have efficient tools to work with. You have enough hard, tiresome work without wasting your time and energy at wood-sawing, water-pumping, grinding-stone-turning and the like. Use an IHC engine to furnish power for such work. In less time, and with far less effort, the wood is sawed, the stock watered, the tools sharpened, all at one-tenth the expense of hand work. Put the load where it belongs. Buy and use an IHC Oil and Gas Engine. It is the cheapest engine you can buy because it costs less per year of service than others. It is so powerful that it will carry a load ten per cent or more above its rated horse power. Perfect combustion makes it economical. IHC oil and gas engines operate on gas, gasoline, naphtha, kerosene, distillate, alcohol. Sizes are 1 to 50-horse power. They are built in every approved style; vertical, horizontal, portable, stationary, skidded, air-cooled, and water-cooled. Sawing, pumping, spraying outfits, etc. IHC oil tractors for plowing, threshing, etc., 12 to 60-horse power. See this engine at the IHC local dealer's place of business and learn what it will do for you. Or write for catalogues. International Harvester Company of America (Incorporated) Baltimore Md.
