Interested in New Road.

Mr. Wm. B. Miller, Eastern Shore member of the State Road Commission, has written to Hope H. Barroll, Esq., counsel to the Board of County Commissioners, that he has received a copy of the advertisement of the road from Betterton to Still Pond, in which Mr. Miller says:

Salisbury, Md., May 21st, 1913.

MR. HOPE H. BARROLL, Chestertown, Md.

My Dear Mr. Barroll:

Replying to your favor of the 19th inst., beg to advise that I am in receipt of the advertisement of the road from Betterton to Still Pond, and note that your bids will be opened on June 3rd.

"I shall make it a point too keep in touch with this road and am looking forward to the result of the advertisement with a good deal of interest. As soon as the bids are received and opened I will be glad to be advised, and, if it is possible, I will be in Chestertown on June 3rd. If not there on June 3rd, I promise to take up the matter and make some final disposition of it before sailing on June 14th. You can not possibly be more interested in this road than I am."

Very truly,
W. B. MILLER,
Commissioner.

The construction of this road will begin under the supervision of the Board of County Commissioners and the State Road Commission, through Mr. Miller, sometime during the summer.

THE RELIGIOUS WORLD.

Chestertown M. E. Church Rev. L. E. Barrett, D. D. Pastor—Services next Sunday, June 1st, as follows: 10.30 A. M., appropriate sermon by the pastor, beautiful decorations, splendid singing; 2.15 P. M., Sabbath School and Pastor's Bible Class; 7.30 P. M. Children's Day Services in the auditorium the program consists of singing by the children, recitations, etc. The committee has provided a first class entertainment. Be sure and come.

Rev. Robert Watt, District Superintendent, will preach on next Sunday June 1st, at 2.30 P.M. in Piney Neck Church. He will also hold our 1st Quarterly Conference immediately after the preaching service. As Dr. Watt preaches in the afternoon, the evening service will be dispensed with. Preparation for "Children's Day" services is now being rapidly pushed. The same will be held on June 15th.

We are glad to state that Rev. Mr. Urner, of Sacred Heart and St. John's R. C. Churches, has sufficiently recovered from a recent illness as to be able to resume his duties. Father Urner is deservedly popular with his congregations and with the people generally, and he is doing an excellent work in his churches.

The District Convention of the Epworth League was held in Easton on Thursday. Prof. L. J. Smyth, Rev. Dr. and Mrs. L. E. Barrett, Mrs. John C. Davis and Miss Nellie McWhorter, represented the local chapter, and made the round trip in Prof. Smyth's machine.

Rev. E. C. Sunfield, corresponding secretary of City Missions and Church Extension, will preach in Galena Church Sunday morning as 10.30 A. M. Preaching in the evening by pastor.

Children's Day services will be held at Wesley Chapel to-morrow (Sunday) at 10.30 A. M.

WE, TOO, will have a poultry show.

Farm Notes.

The farm known as "Napley" in the Fifth District, was withdrawn at public sale on Tuesday on a bid of $16,000. The farm contains 400 acres.

The Lee farm, beautifully situated near Chestertown, and containing 176 acres of fine land was sold by Madison Brown, Esq., of Centreville, attorney for the owner, Mr. James Lee, on Tuesday at public sale to Mr. James Newnam, of Queen Annes for $10,155. This is close to $60 per acre.

It is reported that a prominent landowner refused $30,000 for his farm beautifully located on Chester river, near Chestertown, this week. The offer was made by wealthy Northern parties looking for homes on the shores of the matchless Chester.

The 200-acre farm of Mrs. Agnes Brice, near Galena, has been purchased by Mr. Anthony H. Johnson, of near Massey, for $12,000.

A Word to the Pennsylvania.—The local branch of the Pennsylvania Railroad passes through some of the finest and most productive country in the world. There is every facility here for the enjoyment of life except progressive train and boat service. The Pennsylvania railroad controls both. The boat leaves here at 7 A. M. and the train at 7.30. It takes the boat the greater part of the day to reach Baltimore, and the train leaves a half hour earlier than there is any occasion for. Chestertown has a population of 3,000 people who travel a great deal. Oxford, Md., is a town of 1200 inhabitants, and has three trains a day, with pullman service thrown in. Now we appeal to the Pennsylvania to give Chestertown better train and boat service, if not the pullman service, then give us a reasonable leaving and arriving time.
