THE ANTI-ORGANIZATION TICKET.

FOR LEGISLATURE: JAMES G. HARRIS, Charles W. Kibler, S. G. Caldwell, T. Benjamin Crew, John C. Wood, Adam Startt, George E. Noland, William H. McKee, John J. Crouch, Charles M. Vickers.

WE, TOO, will have a poultry show.

LOOK over the Anti-Organization ticket, and see if you don't think it is a winner.

The Anti-Organization stands for the PEOPLE; the Organization stands for MONEY. It is the PEOPLE against MONEY in this campaign.

It is believed that the date of the primaries will be August 26th. Chairman Murray Vandiver, of the Democratic State Central Committee and Chairman Hanna, of the Republican committee, are said to have agreed upon this date.

STONEWALL J. JOHNSON, of the First, Philip Myers, of the Seventh, and Charles M. Vickers, of the Seventh, will be the Anti-Organization candidates for delegates to the State Convention in the primaries to be held in August.

The announcement of the candidacy of Charles W. Kibler and James G. Harris for the Legislature was received with great approval in all parts of the county. Both Mr. Harris and Mr. Kibler are farmers and watermen.

THERE is mutiny in the rank and file of the Organization faction. They are by no means satisfied with several of the candidates whom the Chester town leaders have selected.

A GENTLEMAN in our office on Saturday said: "No man in this county has done more for the farmers and stock-raisers' interests than has Sam Caldwell. He is as honest and as square as you make 'em, and he should get the vote of every farmer in the county."

THE Baltimore American is sore on Senator Smith for confirming Col. Sherlock Swann as postmaster at Baltimore, and is booming Isaac Lobe Straus as State leader and the Organization candidate for the Senate.

REV. MR. MYTHER, the principal speaker at the Women's Suffrage meeting in the Court House on Tuesday evening paid his respects to Senator John Walter Smith, which could not have been very much relished by the husbands of some of those ladies who are actively identified with the cause of Woman's Suffrage in this county.

SHERIFF Wm. H. McKee has made such a good record in managing the sheriff's office, that his friends have induced him to be a candidate for the State Central Committee, which has the management of the Democratic party as its business.

UP TO OLD TRICKS.

We understand that Mr. Howard Turner, one of the Organization candidates for the Legislature, is telling some of the Anti-Organization voters that he is in favor of the repeal of the Gibbs Road Law.

INTERESTING CONVERSATION.

Two gentlemen, one an Organization leader in a certain district in the county, and the other an Anti-Organization leader, were discussing the Organization ticket as announced recently.

"You ask him," said the Anti leader, "if he didn't vote for McKinley in 1896 and 1900, and see what he will tell you and as for Howard Turner, you know that he has always been regarded as either a Prohibitionist or a Republican."

"No," said the Anti leader, "he's not a Democrat, and you people should not run him." And here the conversation ended, as the Organization leader was called away.

To Land Owners of Kent, Queen Anne's & Adjoining Counties

GENTLEMEN: What is your straw worth to you as a fertilizer?

The Bureau of Plant Industry, No. "A" 77, issued by the U. S. Government, gives the value of various liters for use in barn yard, as follows:

Table with 4 columns: Kind of straw or lit, Nitrogen, Phosphoric acid, Potash. Rows include Wheat straw, Eye straw, Oat straw, Barley straw, Pea straw, Soy-bean straw, Buckwheat straw, Millet straw, Marsh hay, Leaves, Rice straw.

Saw dust contains the same values as wheat straw per ton as a fertilizer.

Marsh Hay (Salt Grass) has more than double the manuring value per ton that wheat straw has.

ONE POINT WHICH HAS BEEN CLEARLY BROUGHT OUT BY RECENT INVESTIGATIONS is that the addition of straw may very decidedly reduce the fertilizing value of manure.

THE EXCESSIVE USE OF STRAW AS A LITTER UNDER ANIMALS SHOULD THEREFORE BE CAREFULLY AVOIDED IF THE MOST EFFECTIVE MANURE IS DESIRED.

We further quote you from "FARM FERTILIZERS, in Bulletin No. "A" 77, BUREAU OF PLANT INDUSTRY, issued by the U. S. Government.

"Straw and saw dust similarly worth about \$3.00 each per ton. These values, of course, are based on their total composition.

It is safe to assume that half of these values are available, but it is only after undergoing decomposition that these values are available.

If these statements, based on actual experiments, are correct, then your straw has a fertilizing value (if decomposed) of about \$1.50 per ton.

We will be pleased to send you copies of Bureau of Plant Industry No. "A" 77, also Farmers' Bulletin No. 55, upon request.

If you spread your straw and plow it under, its action is mechanical and is of not as much value as "rag weeds."

IT DOES IT PAY YOU TO USE STRAW EXCESSIVELY AS A LITTER?

IT DOES IT PAY YOU TO SPREAD IT AND PLOW IT UNDER?

IT DOES IT PAY YOU TO SPREAD AND BURN IT, WHEN YOU CAN FIND A READY SALE FOR IT BY CALLING ON THE AMERICAN STRAWBOARD CO., CHESTERTOWN, MD.?

Do you think the LAND OWNERS named below know the value of these products? They sell all the straw they have to spare:

Kent: T. W. ELIASON, J. M. COMEGYS, H. C. LUSBY, W. T. MORRIS, W. T. MASLIN, W. M. JANVIER, T. J. DAVIS, W. T. BRICE, H. C. WILLIS, W. H. COPPER, ADDAY CLEMENTS, J. P. NICHOLSON, J. M. ARCHBOLD, JAS. W. LAMBERT, R. F. PARKS, HARRY DAVIS, JAS. W. CHAPMAN, W. J. VANNORT, W. IRVING WALKER.

Queen Anne's: J. W. CLOUGH, W. C. HALL, W. P. FINLEY, EDW. GREEN, ARTHUR GREEN, ARTHUR ELLIOTT, JAMES NEWMAN, J. W. HALL, J. A. WALLIS, H. H. KLINEFELTER, B. F. POTTS, T. R. EMORY, HIRAM AND W. C. DUDLEY, JAMES BROWN, GEO. C. HOLDEN, S. R. HIRLOCK, JOHN H. EVANS, W. IRVING WALKER.

The above named gentlemen know the value of their farm products, and do not find it profitable to waste their straw, but sell it. Why do you not sell your straw, as to use it excessively as a litter is detrimental?

It will pay you to put your straw up in good shape, as the American Strawboard Co. will buy your straw, and it always pays cash on all its obligations.

Write or phone us if you have straw for sale.
