**CONSULT MOODY**

over your clothing troubles. He has the remedy and also numerous testimonials from patrons right here at home, attesting the fact that he has the antidote guaranteed to relieve the pressure of high prices and misfits.

Backed by the International Tailoring Co., of New York, Chicago and London, and a successful, straightforward experience of 25 years in the clothing business in my own town, coupled with no stock to carry and carry over—WHY shouldn't I do business? Let me show you.

Respectfully,  
**W. E. MOODY,** Office under Voshell House next to Robert McWhorter's,  
CHESTERTOWN, MARYLAND.

**DEMOCRACY VS. ARISTOCRACY.**

A Democracy is a government in which the people are sovereign. An aristocracy is a government in which a few individuals are the whole show. A Democracy believes in a tax rate of 94 cents on the \$100, while an aristocracy believes in a tax rate of \$1.85 on the \$100. A Democracy is a government of, by and for the whole people; an aristocracy is a government of the few—people. They get the offices and the money, while the rank and file pay the bills in an aristocracy. Mr. Tax-payer, are you a Democrat or an aristocrat?

**STATEMENT SUBSTANTIATED.**

We received a letter from Mr. John C. Turner, of Millington, on Thursday in which he substantiates the statement we made in reference to him last week regarding Mr. Howard Turner's past party affiliation except that he has no personal knowledge of how Mr. Turner voted. Mr. Turner said he said Mr. Howard Turner was a Republican, as he had thought of his family as being Republicans, but not from any knowledge as to how Howard Turner had really voted. Mr. Howard Turner's entire family has always been considered as Republicans, and Mr. Turner, of Millington, who is a relative, says he always considered Howard and all the rest Republicans. This should be proof conclusive of Mr. Turner's past political affiliations.

**VOTE FOR PRINCIPLES.**

The TRANSCRIPT calls upon every Wilson Democrat in the county to help it win a great victory at the polls in the primaries. There must be no backward step. We stand for PROGRESS, ECONOMY AND BUSINESS MANAGEMENT, as against extravagance and bad management, AND THE TAX-PAYERS' WELFARE IS AT STAKE IN THIS FIGHT. This is not a time for personal friendship, or as to who is the best man. A great principle is involved in this contest, and we would not vote for our brother, if he stood for what we know to be wrong. The civic and political welfare of our people, and the maintenance of proper and adequate land values is far above personal friendship. Vote to maintain the principles of ECONOMY AND PROGRESS and not for men in this fight, for if your friend does not stand for principles which you believe to be right, he has no claim whatever upon your vote.
