BEWARE, MR. TAX-PAYER.

The reported combination between Urie and the Organization Democrats, whereby the move is to put Howard Turner and John D. Urie in the Legislature, reported exclusively by the TRANSCRIPT last Saturday, proved boomerang to the Organization forces. The known fact that Mr. Urie is very much interested in Organization Democratic politics, and the generally accepted opinion that Mr. Turner is Mr. Urie's candidate for the Legislature gave considerable color to the rumor of a deal. We advise the people to be on the alert, and it is absolutely important that Mr. Turner shall be defeated in order to break up the deal. We urge the friends of Mr. Robert Shalleross in the Fifth District to be wise. We firmly believe that Mr. Shalleross and his friends in the Fifth are being used to pull the chestnuts out of the fire, and the Organization has no idea in the world of nominating Shalleross. They are moving heaven and earth to nominate Turner, because they believe, it is said, if they get Turner, they will be able to elect him with Urie's support, and they will then be in a position to do as they please with the tax-payers' interests because they will have back in the Senate and Turner and Urie, Republicans, in the House, and they can pass such laws as will enable them to get control of the County Commissioners' office and everything else. Look to your welfare, Mr. Tax-payer, AND VOTE FOR KIBLER AND HARRIS. You will be sater then.

Many people at seventy attribute their good health to SCOTT'S EMULSION because its concentrated nourishment creates permanent body-power, and because it is devoid of drugs or stimulants.
