MR. URIE AT THE HELM.

Mr. John D. Urie is not only the chief adviser and director of the Organization forces in this campaign, but he is at the helm in the fight to nominate Mr. Howard Turner. Mr. Urie is using his efforts to have a number of known Republicans to affiliate in the primaries in September as Democrats, in order that they may vote for Mr. Turner. This game is being played in several of the districts of the county, but the Antis are on to it. The Antis will have two judges in each polling place in the county in the primaries, and they will make a list of every person known to be a Republican who offers to affiliate as a Democrat, and these names will be published after the primaries. The Organization forces profess to be very hopeful of carrying the primaries, and it is said their hopes are based upon the Republican votes Mr. Urie has promised to deliver. There are not enough Organization votes in the county to nominate a single candidate on the Organization ticket, and if a single Organization candidate wins in this primary he can only win through the assistance of the Republican votes which it is said Mr. Urie has promised to deliver. As an illustration of what is being done we state this fact—one of the Organization candidates approached a good Republican the other day and asked him to vote for him. He told the voter that he could affiliate as a Democrat in the primaries and vote as he pleases in the election. The voter replied that in the first place he is a man of principle, and he would not do a thing like that, but if he did affiliate as a Democrat in the primaries, he would vote the Anti-Organization ticket, as he did not want anything to do with Urie's kind of politics, nor had he any confidence in the Organization Democrats. You can bet your life that the Organization candidate let that voter alone. But it is not to show what is being done to beat the people and those who are protecting their interests. We have warned the tax-payers once about a deal between Mr. Urie and the Organization Democrats to put Mr. Turner over a winner, we warn them again that Turner is the one man on the organization ticket that is most acceptable to both Urie and the Organization, and if the tax-payers regardless of faction want to protect their financial interests THEY WILL VOTE AGAINST TURNER, BECAUSE HE IS URIE'S REPRESENTATIVE ON THE ORGANIZATION TICKET, and Urie is Turner's campaign manager.

WHICH WILL YOU CHOOSE?

James G. Harris, one of the Anti-Organization candidates for the Legislature, in the last session prevented the passage of those bills taking \$68,000 out of the tax-payers' pockets. William W. Beck, the recognized leader of the Organization faction, who was in the last Session and who will be in the next, not only introduced and passed those bills through the Senate, but he fought like a Trojan to have them passed in the House over the head of Messrs. Harris and Miller. Mr. Harris was too sharp for Mr. Beck, and he saved the tax-payers an enormous expenditure. Mr. Beck is opposing the re-nomination of Mr. Harris with all the vigor he possesses. He knows what a thorn in his flesh Mr. Harris was in the last Legislature, and Mr. Beck wants two men in the next Legislature whom he can control, and do as he pleases in passing laws that will fasten anything he wants on the tax-payers. You know Mr. Beck is a lawyer. He knows how to make laws in the interest of lawyers, but he proved by his career in the Senate in the last session that he knows nothing about laws in the interest of the people. He kept the road engineer in office when he promised during his campaign for nomination to repeal the iniquitous road law, and MR. BECK, THE LEADER OF THE ORGANIZATION FACTION IN THIS COUNTY, IS RESPONSIBLE FOR THE CONTINUANCE IN OFFICE OF THE PRESENT ROAD ENGINEER, AND THE WRETCHED MANAGEMENT OF THE COUNTY IS NOW BURDENED WITH, BECAUSE HE REFUSED TO PASS THE BILL FOR THE REPEAL OF THE LAW WHICH MESSRS. HARRIS AND MILLER INTRODUCED AND PASSED IN THE HOUSE. When you vote for Turner and Shalross, Beck is the man whom Mr. Beck will not only control, but for men who stand for everything that Beck stood for in the last Legislature. Mr. John D. Urie is Beck's choice for School Commissioner. Mr. Beck needs an opponent in the next session who can cope with him, and Mr. James G. Harris is the man for the job because he proved his worth to the tax-payers when they needed protection. *Kibler and Harris are the tax-payers' friends.* Beck is the road engineer's friend, and Beck is absolutely responsible for the continuance of the road engineer in office. Mr. Harris deserves re-nomination and reelection for what he did for the tax-payers. Beware of your interests, Mr. Taxpayer.

WE'LL MEET ISSUE.

The Urie organ last Saturday published an editorial of a column and a quarter decrying "One Man Power," referring of course to Hope H. Barroll, Esq. We knew it was coming. They simply can't help it. They have rung the changes on Mr. Bowers for so long that they have simply disgusted the people, and last Saturday they began their biennial attack upon Mr. Barroll. We'll meet the issue. For the sake of argument, we'll say that Mr. Barroll is the whole show in Anti-Organization politics. Who is the recognized leader of the Organization faction in the Democratic party, and who is the man who generally believes to be selected the tickets, and is getting as many Republicans as he can to affiliate as Democrats in order to vote his ticket in the primaries? Mr. John D. Urie is regarded from one end of the county to the other as the Boss of the Organization Democrats. He tells them what to do and they do it; he tells them who to put on their ticket and he goes there. Mr. Taxpayer, in whose hands are the county's affairs safest—those of Mr. Barroll or Mr. Urie's? Did Mr. Barroll have Governor Warfield make him School Commissioner that he might play politics with the public schools? When Urie was counted to the Republican Board of County Commissioners, he ran the county so far in debt that a tax rate of \$1.35 did not pay the indebtedness, and when he was State's Attorney he ran the fees up to such an astonishing sum—\$2800 in one year—that the people were compelled to put the State's Attorney's office on a salary basis. Has Barroll ever meddled in Republican politics, and sacrificed his political principles for a mess of pottage? The Organization is honeycombed in this county with one man power. It is URIE, URIE, to the core, and it is the most dangerous kind of one man power.
