THE Organization Democrats have John D. Urie for a leader, and not a single issue that appeal to the people.

IF the Organization faction passed a road law compelling them to be economical, why have they not obeyed their own law, and given the tax-payers competent road management?

URIEISM and Money is the great issue against the Organization candidates. They are tied to URIE as their leader, and they can't work the roads or run the schools without MORE MONEY.

THE Urie organ has been ringing the changes on Mr. Marbury, and accusing him of not being a Democrat. But they are not saying a word about having a recognized Republican as their leader in this campaign and a Republican on their ticket.

IF the Organization made you pay twice as much taxes as the Antis have done, why should any tax-payer in Kent county want to vote the Organization ticket and put them back in power again? That is what the Organization did, and they have never denied it.

CARDINAL GIBBONS, the distinguished Romanist, celebrated his 79th birthday on Wednesday. He spent the day as the guest of T. Herbert Shriver, at Union Mills, near Westminister, and received few visitors. The cardinal is enjoying excellent health.

THIS thing of belonging to the Organization is *an expensive luxury*. They are forever and eternally wanting MORE MONEY. They did seem to be satisfied and able to run the schools on $35,000 a year before their leader, Mr. Urie, got in the School Board, but just as soon as he took control of the schools they began the same old cry—"WE NEED MORE MONEY. It is the same old thing wherever you go, URIEISM AND MORE MONEY.

A PROMINENT gentleman and taxpayer of the Fifth District, in discussing the political situation, said the other day that for the life of him he can't see how any man who has his own interests at heart, and knows conditions in the county, can do anything else than vote the Anti-Organization ticket in the coming primaries. The people who stop to think about how the Organization ran the county finances and piled up the indebtedness of the county to an enormous amount, and then consider how the county finances have been conducted under the Anti-Organization cannot fail to see that the people's interests are safest in the hands of those who now control the county finances.

THIS county is overwhelmingly for President Wilson and his policies. The Organization and its leaders did everything they could against President Wilson's nomination, and they are opposed to his policies. The Anti-Organization candidates are Woodrow Wilson Democrats, they stand for his policies, and the candidates for State Central Committee—GEORGE E. NOLAND, WM. H. McKEE AND JOHN J. CROUCH—are pledged to carry out President Wilson's policies. If you refuse to vote for all three of these excellent candidates, you oppose Wilson's friends, and if you vote for Charles L. Dodd and his associates you vote for the men who did everything they could in Baltimore against the nomination of President Wilson. Don't let this county go backward.

IT IS said that Senator John Walter Smith is behind the move to test the right to elect a short term Senator at the approaching primaries in the courts, and that is the way he intends to fight Senator Lee. It is known that Senator Smith is bitterly opposed to Senator Lee's election, and since he has been unable to induce any one to make the fight against the Senator, he is going to test the matter in the courts with a view to upsetting the opinion of Attorney-General Poe, to the effect that the Governor has the right to issue a writ of election for this primaries. If Senator Lee is elected this fall, that puts Smith out of business, and his only hope of beating Lee is through the courts. There is one splendid advantage about taking the matter to court. There are two sides to every question, and the courts will undoubtedly settle the matter on its merits, as well as according to law.

HOW IS THIS, DEMOCRATS?

One day last week a number of gentlemen were standing on Rock Hall wharf. While they were standing there a prominent Republican came down to the wharf WITH ORGANIZATION DEMOCRATS' CARDS WITH THE NAMES OF THE STATE CENTRAL COMMITTEE—Charles L. Dodd, George R. Rasin and Frank Skirven printed on them. He handed them to those standing around, remarking as he did so—"I AM GETTING $5 A DAY FOR DOING THIS." Here is another forcible evidence of outside interference in Democratic politics.

THEY DID RIGHT.

The Urie organ in its catechism, asked this question: Who saddled a tax rate of $1.85 on the people in 1910? And answered it by saying—The Barroll faction. It is perfectly true that the Barroll faction did levy a tax rate of $1.85 on the people in 1910, but they were compelled to do it to pay the enormous debts the Urie faction had piled up on the people. And what is more, THE ACTION OF THE COMMISSIONERS WAS SANCTIONED BY HON. JAMES A. PEARCE, WHO ADDRESSED A LETTER TO THE COMMISSIONERS STATING THAT THEY HAD DONE RIGHT IN PROVIDING FOR THE PAYMENT OF THE COUNTY'S INDEBTEDNESS AT ONCE.

IN THE Legislature and in the County Commissioners office, the policy of the Organization faction has been to get money from the people. They tried to saddle an indebtedness of $68,000 on the people in the Legislature of 1912, and they piled up the debts in the commissioners office so high that not even a tax rate of $1.85 paid them all. Why should any man who pays taxes and owns a little property want to vote for Turner and Shallcross to go to the Legislature to do the very thing that Mr. Beck tried to do and really did in the last Legislature? Mr. J. G. Harris prevented Mr. Beck from saddling an indebtedness of $68,000 on the people, but after Mr. Harris and Mr. Miller passed the bill to repeal the road law in order to get rid of Gibbsism, Mr. Charles L. Dodd, a candidate for State Central Committee, circulated a petition and got 200 or so Organization people to sign it which was against the repeal of the law, and Mr. Beck refused to listen to the great majority of the tax-payers. The policy of the Organization has been against the people, and if Turner and Shallcross are nominated and go to the Legislature, how long, in view of the tax-payers' past experience, will we enjoy a 94 cent tax rate? THE MOST DANGEROUS THING at this time for our voters to do is to vote for Turner and Shallcross.

HOW COMMISSIONERS PAID MONEY.

In view of the fact that there are a few people who are criticising the County Commissioners for not giving the School Commissioners the money with which to pay the teachers salaries, we asked Mr. Samuel Hicks to give us the dates and the amounts of money paid by the Commissioners to the School Board, in order that the people may see that it was the fault of the School Board and not the County Commissioners, that the school teachers salaries were not paid until sometime in July. Here are the dates upon which the commissioners paid the following amounts to the School Board:

Sept. 24, 1912	$ 1,000
Oct. 1, 1912	2,000
Nov. 19, 1912	1,000
Dec. 3, 1912	3,000
Dec. 31, 1912	10,000
Jan. 7, 1913	5,000
Feb. 25, 1913	3,000
Mar. 4, 1913	3,000
Apr. 22, 1913	5,000
May 13, 1913	1,000
May 27, 1913	1,000
Total	$35,000

It is proven here that the County Commissioners paid the School Board every dollar of the $35,000 appropriation, and if the teachers were not paid their salaries until sometime in July, such as is a fact, the County Commissioners were not responsible. They gave the School Board all the money that was due them before June 1 last, and if the salaries were not paid when they should have been paid it is up to the School Board to state why they were not paid. Don't be so foolish as to believe all the stuff that the Organization is putting out. Get the facts as they exist, and don't depend upon campaign buncumb.

POLITICAL CATECHISM.

In view of that catechism with a "borrowed" heading which appeared in the Urie organ last Saturday to the amusement of those who read it, the following questions were suggested to us:

Q.—Who sanctioned the levying of a tax rate of $1.85 to pay the debts which the Organization created?

A.—The People. In the primaries that followed the striking of the levy, *the Organization candidates carried only one precinct in the county.*

Q.—Who ran the tax rate of the county from $1.35 in 1903 to $1.85 in 1910?

A.—The Organization.

Q.—Who wasted $35,000 of the tax-payers' money on the roads in the last six months of their term in 1909, and were driven out of power by the people because of their extravagance.

A.—The Organization.

Q.—Who, as soon as the people drove them out of the County Commissioners' office, passed a law through the Legislature that would enable them to retain possession of the roads, and give the tax-payers the worst system of road management that the county has ever had?

A.—The Organization.

Q.—Who sat in the commissioners' office as their clerk while the tax-payers' money was being squandered on the roads, and never raised his voice to protect the tax-payers' interests?

A.—Mr. Charles L. Dodd, one of their candidates for State Central Committee.

Q.—Who circulated a petition during the last session of the Legislature against the repeal of the present iniquitous road law, knowing the repeal of the law was the only means by which the tax-payers could be rid of Gibbsism?

A.—Urie's man Dodd.

Q.—Who is vigorously opposing the system which wastes the annual road fund of $21,636 a year, without a penny's benefit to the roads or people?

A.—The tax-payers.

Q.—Who tried to saddle an indebtedness of $68,000 upon the tax-payers in the last Legislature without giving the tax-payers their just rights to vote on the question?

A.—The Organization.

Q.—Who overwhelmingly defeated the bill which Mr. Beck passed in the Senate saddling a debt of $20,000 upon the people for court house improvements?

A.—The Tax-payers.

Q.—Who passed a law requiring the indexing of the records in the clerk of the court's office at the cost of some $3,000 to the people?

A.—The Organization.

Q.—Who has been trying to get more money to run the schools of the county when they knew it was not needed?

A.—The Organization and their leader, Mr. Urie.

Q.—Whose one great cry from 1909 to the present time has been MONEY, MONEY, MONEY, give us more MONEY?

A.—The Organization's.

Q.—Who admits that he is playing politics with the schools of the county?

A.—Mr. Urie, the Organization leader, and he is being assisted in the business by the Organization.

Q.—Who protests against Urieism?

A.—The People.

Q.—Who has a Republican for a leader, and not a single issue upon which to go before the people?

A.—The Organization.

Q.—Who wants to get control of the Board of County Commissioners so badly that they don't know what to do?

A.—The Organization.

Q.—Who would be foolish to let them do it, or to nominate their candidates for the Legislature?

A.—The People.
