DON'T DELAY

Some Chestertown People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the often neglected troubles that so often lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, worn-out feeling; may be nature's warning of kidney weakness. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been successfully used in thousands of cases of kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Endorsed at home. Read Chestertown testimony. Mrs. L. M. Blyman, High St., Chestertown, Md., says: "One of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they gave relief."

AFTER SICKNESS OR OPERATION

It is a pathetic mistake to accept drugs or alcoholic mixtures when nature craves nourishment to repair the wasted body and restore the vigor of health. For forty years the best physicians have relied on the whole-some predigestion nourishment in Scott's Emulsion which is totally free from alcohol or opiates. Scott's Emulsion sharpens the appetite—renews blood—nourishes nerves—strengthens bones and restores the courage of health to make life bright. Scott's Emulsion sets in action the very forces that promote health; it is pure, rich strength.

REPORT OF THE AUDITING COMMITTEE OF KENT COUNTY, MD.

To the Honorable Board of County Commissioners for Kent County, Maryland.

GENTLEMEN—In compliance with an Act of the General Assembly of Maryland, passed January, 1904, we, having been appointed auditors for Kent County, beg leave to state, we have examined the books, accounts, vouchers and papers of the office of the County Commissioners, Treasurer, Board of School Commissioners and Trustees of Alms House, and submit the following report, as shown in

EXHIBITS

In order that the succeeding Auditing Committee, as well as the general public, may understand the work done by the auditors, we wish to state that we have compared the assessment books of the county with the tax books of the Treasurer and verified them. We have traced each bill presented, through the books of the County Commissioners, to Treasurer, to the checks returned. We have left in the Commissioners' office a list of all orders and certificates which have not been paid. We would suggest that on June 1st, the Treasurer should have his bank books balanced, and give to the County Commissioners a statement of all monies received and from what source, together with a list of insolvent and delinquent tax-payers at that time, which list, we think, should be published in the county papers. We desire to call special attention to the Alms House Exhibit, and would recommend the sale of the Alms House Farm. You will also see that Exhibit showing expenditures for 1912-13 make the amount \$97,673.13, while the Treasurer's expenditures are \$111,182.55. The former is made up of Orders and Certificates for 1912-13, while the latter is made up of Orders of 1912-13, and Certificates of 1911-12 paid in 1912-13.
