### SHOEING.

At the earnest request of a number of our fellow craftsmen we agreed for reasons which seemed to us good and sufficient to raise the price of plain shoeing on Sept. 1st, 1913, to \$1 per set.

Some of our fellows, however, felt that for good reasons they wished to again make the price 75 cents per set, and we hereby notify the public that on and after Nov. 19, 1913, the price of plain shoeing in our shops will be 75 cents per set. We solicit a continuance of your patronage promising to give the best service we can and not keep you waiting long to get your work.
