THE LADIES' STORE,

Opposite Stam's Hall, CHESTERTOWN, MD.

IT'S TIME TO TURN THAT NEW LEAF AND ENTER INTO THE NEW YEAR. Here's our best wishes for PROSPERITY and HAPPINESS.

Start Right---Resolve to wear better clothes and save money. (That resolution can be kept by buying here.)

ALL OVER THE COUNTRY THE FIRST WEEK OF JANUARY will be made NEMO WEEK. We join the procession, and HAVE ON HAND THE NEW MODELS.

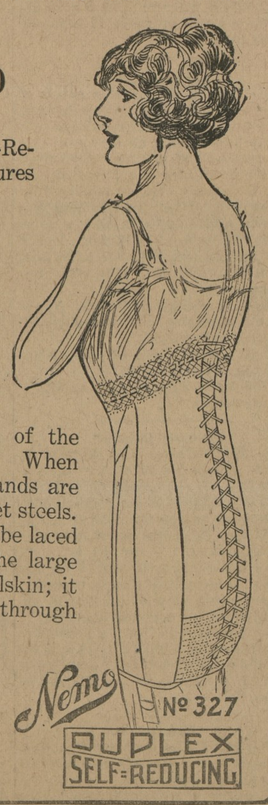

INTRODUCTORY SALE

NEW Nemo DUPLEX SELF-REDUCING CORSETS

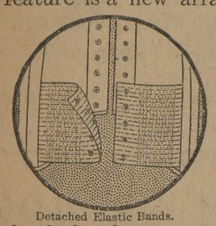

MOST women thought that the splendid Nemo Self-Reducing Corsets of last year were the final word in stylish and comfortable corsets for medium and stout figures; but we are pleased to announce this Introductory Sale of a new Nemo, showing a new invention which makes it more valuable, stylish and comfortable than even the best of former Nemo models.

Nemo "Duplex" Self-Reducing Corsets

No. 327—with low bust } $3.00
No. 328—medium bust }

These corsets have the improved Nemo Self-Reducing front, with curved front steels, which insures unequaled abdominal support. The great novel feature is a new arrangement of the semi-elastic bands at the back, which give an ultra-fashionable slender shape when you stand, and make the very long skirt flexible and easy in any position.

Detached Elastic Bands.

The small cut (on left) shows that the *lacing* ends of the elastic bands are not attached to the corset-body. When the corset is laced, the two *upper* eyelets in the bands are laced through with the two *lower* eyelets in the corset steels. This allows the three lower eyelets in the bands to be laced independently, with the graceful result seen in the large picture (on the right). The corset fits like an eelskin; it can't "ride up"; and the ends of bones can't show through even the thinnest gown.

This is the greatest value ever offered in a $3.00 corset; and these models have no superior, at any price, for hygienic figure-reduction.

Made of fine white coutil, with the healthful Nemo "bridge" construction, and all the superiority of material and making for which Nemo Corsets are famous. Sizes run from 22 to 36. It will give us special pleasure to show you these new models. Sale now in progress.

Rock Hall Items.

Mr. J. M. Blaustein, who for the past three years has conducted the business of M. Kramer, has bought his large stock of up-to-date goods and fixtures. Mr. Blaustein took possession on January 1st, and now has on his first semi-annual sale. He came to Rock Hall a perfect stranger, and by his straight dealings with the people, he has now many friends and patrons. By studying the wants of the people he has now one of the finest stocked stores on the Eastern Shore. This business is no experiment with Mr. Blaustein, for he has been in this line of business for 20 years.

Rock Hall can boast of having a large band of twenty-five pieces. The band is under the direction of Prof. Charles Judefind.

A large troop of boy scouts has been organized in this town with two patrols. The boys are very much interested in the work, and are at present working at building a log cabin, 10x12 feet, of pine logs. After having a series of lectures on the lumbering industry, the boys are following as near as possible the lumberman's methods. This cabin will be used for winter headquarters.

Several of the puplis of the senior class will take the teachers examination for substitute work in this district. Substitues in school work are very scarce in this county.

Betterton Notes.

The Christmas cantata, entitled—"Waiting for Santa," and Sunday school treat was held at the M. E. Church last Wednesday evening. Too much credit cannot be given the four young ladies who worked unceasingly to make it a success, and to the children who responded so well to the training. Rev. F. X. Moore, Mr. Archie Crew, the superintendent, and "Santa Claus" were each presented with a well-filled basket of fruit, and Mrs. F. X. Moore, a beautiful hand-painted pillow.

The Ericsson steamboats will discontinue their trips on the 18th for three weeks, while the canal is being repaired.
