ACCORDING to the make-up of the Organization ticket, *five* of the candidates are from Chestertown, namely—Dixon and Dodd for clerk, Wm. F. Russell for State Senator, George Harry Cannan for county commissioner and Judge John H. Simpers for the Orphans' Court, and still Chestertown never gets anything.

MR. CHARLES GILPIN HINES called at our office on Monday last and requested us to say that the statement in the letter in our People's Column from the Man-on-the-Street, that he had been appointed to a position of $1,500 by the State Tax Commission was a mistake. That he holds no position nor does he want any political job. That he is employed by a St. Louis firm and that his undivided attention is given to their business.

THAT good, straight and popular resident of the Fifth District, Mr. Jefferson D. Ayres, has consented to be a candidate for the Legislature. Mr. Ayres needs no introduction to the public. He is as clean and as honest as can be, and is a friend to the oystermen and fishermen, as well as to the tax-payers. Mr. Ayres will make a splendid representative in the Legislature, and he will vote right and be right on all questions affecting the people's financial, political, moral and social welfare. You don't make them any better than Jeff Ayres, and he is the type of man that every one would be glad to support.

THE friends of Mr. Wm. T. Nicholson in the Sixth District have persuaded him to become a candidate for county treasurer, and he has decided to become a candidate. If any man in Kent county can challenge the fitness of Mr. Nicholson for this responsible office, or can say a word against his character and loyalty to the Democratic party, that man does not live in Kent county. No better man for any office in Kent county can be found than Billy Nicholson, and the people of the county are extremely fortunate to have men like Mr. Nicholson to conduct their county affairs. Mr. Nicholson is known from one end of the county to the other as being one of our most upright citizens, and he will make a candidate exceedingly difficult to defeat.

THOSE editorials in the TRANSCRIPT about Boss Barroll and Boss Beck have caused a mighty awakening throughout Kent county. Even the ladies are talking about them. One lady stopped us on the street the other afternoon and said: "Oh! I think that editorial about the Bosses in your paper last Saturday was the best thing I have ever read. It was stated in such a manner that no one could take offense at it, and is absolutely unanswerable." Another lady said: "Well, you certainly did put a quietus on the Bosses last Saturday. I hadn't an idea that those people were playing that kind of politics. The TRANSCRIPT has done the people of the county a great favor by calling attention to it. It shows who is getting the money in the Organization wing." You see how much water their cry of Bossism draws when put to the test.

IT IS generally believed that Comptroller Emerson C. Harrington is the John Walter Smith candidate for Governor in the coming primaries, having announced himself on Wednesday, although a number of prospective candidates have been mentioned in order to test the people's pulse. No degree of enthusiasm has been created by the mention of any one's name, and it is the generally accepted belief that Senator Smith will stand by Harrington, his first love. And the Baltimore City News, which usually gets about all there is going in Organization politics, says that the Smith end of the party in Kent and Cecil are kicking on Harrington, but that they would answer the call when the bell rings. And all this, mind you, amidst the cry of Bossism by the Smith end of the party in Kent. Say, Mr. City News, that is the unkindest cut of all.

POLITICS were boiling in Chestertown on Tuesday and the Organization ticket was practically made up to the disappointment of many who wanted a place theron. This is something like it:

State Senator—William F. Russell.

Legislature--Howard Turner and Robt. A. Shallcross.

Treasurer—Bun Taylor.

County Commissioner—Leonard Wilson, in the First, some one in the Second other than George R. Rasin, who states that he will not be a candidate, and George Harry Cannon, a semi-Anti man in the Fourth.

Clerk of the Court—Charles L. Dodd and James T. Dixon.

Sheriff—Thomas Hadaway, of the Seventh.

Orphans' Court—Dr. E. A. Scott, in the First, John H. Simpers, in the Fourth, and one other to be selected.

Register of Wills—Jesse H. Usilton, in the Sixth.

MR. WILLIAM THOMAS JONES, one of the most prominent and popular farmers of the Second District has acceeded to the wishes of his friends and has announced his candidacy for judge of the Orphans' Court on the Anti-ticket. Mr. Jones has never held political office, and while he has always taken an active part in Democratic politics he could never be induced to become a candidate for office. We are delighted that Mr. Jones has consented to become a candidate for the Orphans' Court. He is a splendid man for that position, and is the type of man to please all elements of the voters. Mr. Jones is very popular in the Second and First Districts, and will make an exceedingly strong combination with Mr. W. Fletcher Melvin, who is a candidate for re-election as county commissioner, and who deserves to be re-elected for the very valuable service he has rendered the people of his county in the past four

BOSS BARROLL AND BOSS BECK.

ARTICLE III.

Having discussed the methods of the Bosses of each of the factions of the Democratic party in the conduct of our county affairs and in their concern for the rank and file of the party in the first and second articles under the above heading, we desire in this, the closing article in this series, to enumerate the results of the methods employed by Mr. Barroll and Mr. Beck, in their dealings with the rank and file of their respective factions and to state the platform upon which the candidates of the so-called Barroll faction will ask for the support of the people in the coming primaries.

The record as we have proved it discloses that the great preponderance of consideration for his friends is in favor of Boss Barroll, who has never been a candidate for office himself, nor has he ever by any manner whatever endeavored to grab a position for himself or any member of his family, and let the voters of his faction, who placed him in a position of power and influence, shift for themselves. Here is how the record of providing for their friends stands:

BOSS BARROLL.

HARRY FALLOWFIELD—Registrar of Voters.

HARRY CANNON—President Board of Supervisors of Elections.

HARRY MCWHORTER—Supervisor of Assessments, at a salary of $1,000 a year.

ROSCOE WHARTON—Clerk in Railway Mail Service, at $1,200 a year.

G. ALLEN JARMAN—State Veterinarian for four years, at a salary of $1,000 a year.

J. HYDIE THOMPSON—Member of the Almshouse Board of Trustees, which position he has held for a number of years, at a snug financial consideration.

W. FINLEY COLLINS—Postmaster at Millington, at an annual salary of $1,350, for four years.

CHARLES A. MCWHORTER—Official at the Maryland House of Correction, at a salary of $65 a month, with board, etc.

JESSE G. DUYER—An annual pension of $200 for injuries received in the service of the State, and $350.00 donated him by the Board of Directors of the Maryland House of Correction.

THOMAS A. MATTHEWS—Deputy Register of Wills for Kent county, at a good salary and commission, which position Mr. Matthews has held under both Messrs. J. E. Morris and Jesse R. Copper.

OLLIE ESTES—Deputy Treasury for four years, at a fair salary.

SAMUEL HICKS—Police Justice for four years, at a salary of $400, and later Clerk to the Board of County Commissioners at a salary of $950 a year, which position he has held since 1909.

CHARLES JUDEFIND—Postmaster at Rock Hall for four years, at a salary of $1,200 per annum.

THOMAS D. BOWERS—Postmaster at Chestertown, at a salary of $2,300 per year for four years.

ALVIN E. COLEMAN—Clerk in the Chestertown Postoffice, at an annual salary of $800.

THIS MEANS THAT MR. BARROLL'S CONSIDERATION FOR AND ASSISTANCE TO HIS FRIENDS AND TO THE RANK AND FILE OF HIS FACTION IS WORTH TO THEM SOME $13,000 A YEAR, AND TO HIMSELF AND RELATIVES NOT A PENNY.

BOSS BECK.

LEWIN W. WICKES—Member of the State Tax Commission, at an annual salary of $5,000, for four years.

J. ARTHUR BRADLEY, a brother-in-law of Mr. Beck—Inspector under the State Accident Commission at an annual salary of $1,500 and traveling expenses.

THOMAS L. HINES, of Baltimore, a cousin of Lewin W. Wickes—Clerk in the State Tax Commission office at an annual salary of $1,800 a year. Mr. Hines is not a voter in Kent county.

WM. W. BECK—Counsel to the State Tax Commission at an annual salary of $1,500 a year, with a fine trip to the Panama Exposition in San Francisco with all expenses included.

ALL OF WHICH MEANS THAT MR. BECK'S CONSIDERATION FOR AND ASSISTANCE TO THE RANK AND FILE OF HIS FACTION IS NOT WORTH A PENNY TO THEM, BUT TO HIMSELF AND RELATIVES SOME $10,000 A YEAR.

What of their relations to the tax-payers?

Boss Beck went out of office leaving the tax-payers an undesirable legacy of a $1.85 tax rate, and during his career as Senator in the Maryland Legislature he passed bill after bill to increase the burden of the tax-payers.

Boss Barroll cleared up the county indebtedness incurred by Boss Beck, placed the county tax rate at 94 cents, and would have kept it there or lower, had it not been for the extravagance of Boss Beck and his delegates in the Maryland Legislature during the last session.

THE ANTI PLATFORM.

The Anti-Organization has never had a fair opportunity to show the people of Kent county that it can govern the county economically and in the interest of all the people, because by reason of a lack of control of the representatives in the Legislature and the Board of County Commissioners at the same time, it has been hampered by an incompetent and exceedingly expensive road engineer system, and by legislative extravagance which has piled up expense after expense upon the tax-payers which has made it impossible for the Anti-Organization to maintain the economy which they could have observed had they had control of the legislative delegates. It is for this reason that we suggest to the people that they place the legislative candidates as well as the Board of Commissioners in the hands of the Antis and they will demonstrate to the people that they can and will conduct of the affairs of the county in the interest of economy and efficiency. So far as the candidates on the Anti ticket are concerned, every one of them are men of the highest integrity and they can be depended upon to see to it that the very highest welfare of the people both morally and economically is preserved. Give us the legislative ticket and the Board of Commissioners, and this is what the Anti-Organization will do for the people:

1. The first bill which will be offered and passed by the Kent county delegation will be the repeal of the Gibbs Road Law, which will put an end forever to Gibbsism and political control of the roads of this county.

2. We shall oppose the further bonding of Kent county for anything until there is an insistent demand from the people for an increased indebtedness, and this demand should be resisted until we find how heavy our tax bill will be when we begin to pay off the bonds $3,000 per annum and interest which will increase the tax rate 10 cents on the $100.

3. We shall oppose the appropriation of a single dollar to the State Roads Commission in any way, shape or form, and consistently vote against such appropriation UNTIL WE EXACT FROM THE STATE ROADS COMMISSION AN AGREEMENT THAT KENT COUNTY SHALL HAVE ITS DUE PROPORTION OF STATE ROADS EQUAL IN NUMBER TO THE MILES OF ROAD IN QUEEN ANNES COUNTY, AND THAT WE SHALL HAVE IN THE FUTURE OUR JUST NUMBER OF MILES CONSTRUCTED AND THE PRESENT PICAYUNE CONSTRUCTION DONE AWAY WITH. WE WILL NEITHER BARTER, NOR SUPPORT NOR VOTE FOR ANYTHING THE STATE ROADS COMMISSION WANTS UNTIL WE ARE GIVEN WHAT IS DUE US. NOR WILL WE TRADE VOTES FOR OFFICES INSTEAD OF ROADS.

MR. DIXON WILL BE CANDIDATE

Mr. James T. Dixon, the present incumbent, announced on Tuesday evening that the inference in the Enterprise that he will not be a candidate is a mistake. Mr. Dixon stated that some of his Organization opponents are circulating the report all over the county that he is out of the fight, but he stated most positively that he is in the fight to a finish, and has so notified his friends. Mr. Dixon's friends assert that he has just as much reason to be a candidate to succeed himself as Mr. Dodd has to be a candidate for clerk after being defeated for county treasurer once and then being Clerk to the Board of County Commissioners for six years at a salary of $1,000 a year. Mr. Dixon's friends declared that he has not been any greater seeker after political office than has Mr. Dodd, and he has never been before the people that he has not been nominated and elected. Mr. Dixon states that he will make an active campaign for the office, and those of us who have tackled Dixon in the past know what that means. He says he knows exactly who is responsible for circulating the statement that he will not be a candidate.

MR. HARRIS A CANDIDATE.

We take very great pleasure this morning in announcing to the people of this county that Mr. James G. Harris has consented to be a candidate for the Legislature. In making this announcement the friends of Mr. Harris, and the TRANSCRIPT as well, are perfectly willing to take full responsibility for his candidacy. Mr. Harris has been very unjustly and erroneously accused by the Organization faction of not being in sympathy with the temperance sentiment of the county, and he was most unjustly attacked in the last campaign. We make no apologies to the temperance element of the party because we know Mr. Harris' attitude on the subject to be thoroughly in keeping with the wishes of the majority of his constituents, and if the temperance element is not willing to trust Mr. Harris' attitude on the local option question, with such supporters on the ticket as W. Bradford Copper, Jefferson D. Ayres, William T. Jones, Charles S. Hill, Wm. T. Nicholson and the rest of the ticket, then we are frank enough to say that the temperance element is at liberty to turn to the Organization candidates, where they got any number of promises in the last campaign, and the gallon-a-month law as the fulfillment of those promises, and one of the delegates voted against the local option bill after receiving Mr. Wm. H. Anderson's O. K. and the Senator did not get a chance to vote for or against the bill. Mr. Harris made one of the best representatives in the Legislature this county has ever had and saved the tax-payers thousands of dollars that Boss Beck as Senator tried to put over on the people. We can assure the people of one thing and that is that if Mr. Harris' record had been such as was the record of the Organization delegation in the last session, he would *never* be a candidate for the Legislature. We *know* where Mr. Harris stands on the local option question and he will be as true to his constituents on that question as he was in protecting their financial interests when he was in the Legislature.
