Farmers' National Congress.

The Maryland delegates to the Farmers' National Congress this year are planning their trip to leave Baltimore September 25th or 26th, stopping four days in Omaha, Nebraska, to attend the Congress; and, for those who so desire, continue the trip to the Panama-Pacific Exposition at San Francisco, Cal. There is a choice of several routes, going one way and returning another, affording ample opportunity to view the other points of interest on the Pacific Coast and the wonders of the western mountain ranges. Round trip fare Baltimore to San Francisco $92.95, tickets good for three months and with stop-over privileges. Pullman rate $17.50 lower berth, one way.

For those who do not desire to take the entire trip as outlined above, the trip to Omaha will be a most interesting one, and well worth while. Omaha is a great agricultural metropolis, situated in the heart of the richest agricultural valley in the world. No large area has soil as rich nor so deep as that of the Missouri river valley. It is a large city because it packs and ships the cattle, hogs and sheep; receives and distributes the corn, wheat, alfalfa and other grain; gathers the cream and makes the butter for this rich and extensive farming district. Omaha has a commission form of government; has a tax-rate of only $1.17 per hundred; has 22 lines of railroads to all parts of the world; has the largest output of refined gold and silver of any city in the U. S.; shipped more butter in 1913 than any city in the U. S. Railroad fare Baltimore to Omaha $27.61 one way; lower berth $7.00.

Details of the program of the F. N. C. will be announced later. For further information, apply to J. H. Kimble, Port Deposit, Md.
