THE TOWN ELECTION.

Mr. George R. Rouse Elected Town Commissioner by an Overwhelming Majority—Bond Issue Wins Heavily—Vote Against Change in Terms of Water Board Heavy.

At the election held on Monday for one member of the Board of Town Commissioners to succeed Mr. Wm. S. Carroll, who had held the office for nine years, and who was a candidate for re-election, Mr. George R. Rouse was "overwhelmingly elected" as one enthusiast expressed it, winning by a majority of 110. The vote on the proposition to bond the town for $25,000 for street improvement and sewers was carried by a majority of 85, and the proposition to change the method of electing the members of the Water Board was defeated by a majority greater than the vote cast for a change. So far as the election of Mr. Rouse is concerned we are satisfied that he was the choice of a majority of the intelligent taxpayers of the town, and we are also satisfied that Mr. Rouse will make a capable and conscientious official. We are not so sure, however, that a majority of the responsible tax-payers of the town voted for the bond issue. The negro vote undoubtedly holds the balance of power in town elections. This vote was lined up almost solidly for the bond issue, and those who control the negro vote in the town are absolutely responsible for a majority for enforcing upon the town another indebtedness of $25,000. The official vote is as follows :

FOR COMMISSONER.

George R. Rouse	197
Wm. S. Carroll	87
Rouse's majority	110.
For Bond Issue	178
Against Bond Issue	93
Majority for Bond Issue	85.
For Change in terms of Water Board	89
Against Change in terms of Water Board	181
Majority against Change	92.
